KE - I say unto you, turn your chair and face the north. A mighty north wind cometh. Not a physical wind, but a spiritual wind of truth. Directed towards you, My Chosen. Fear not.

SN vision: I saw a bunch of facets

KE - While holding the communion cup I heard, I shed My blood for you to be a prophet. Walk in it.

Facet:

A facet is one side or aspect of something. If you're thinking about quitting your day job to become a circus performer, you should first consider every facet of what your new life would be like.

Facet, which is related to the word face, can also refer to one of the flat "faces" of a diamond or other gem. This was the word's original definition, and it was evidently seen as an apt metaphor for one side of a complex idea. When a problem has many parts to consider (or when it's just a huge mess), you can describe it as multifaceted

SN The facets were black

Revelation of John 8:1

And when he had opened the seventh seal, there was silence in heaven about the space of half an hour.

How it works:

Matthew 16:19

And I will give to you the keys of the kingdom of heaven: and whatever you shall bind on earth shall be bound in heaven: and whatever you shall loose on earth shall be loosed in heaven.]

SN - I keep hearing this song and having scenes from the movie Runaway Bride
Runaway Bride Soundtrack Lyrics Dixie Chicks - You Can't Hurry Love Lyrics I
need love, love to ease my mind I need to find, find someone to call mine But

mama said you can't hurry love No, you'll just have to wait She said love don't come easy It's a game of give and take I can't hurry love, no, you'll just have to wait Just trust, give it time No matter how long it takes How many heartaches must I stand Before I find the love to let me live again Right now the only thing that keeps me hanging on When I feel my strength, yeah it's almost gone I remember mama said You can't hurry love No you'll just have to wait She said love don't come easy It's a game of give and take How long must I wait, how much more must I take Before loneliness, will cause my heart, heart to break? No, I can't bear to live my life alone I grow impatient for a love to call my own But when I feel that I, I can't go on These precious words keep me hangin' on I remember mama sayin' you can't hurry love No, you'll just have to wait She said love don't come easy It's a game of give and take I can't hurry love No, you'll just have to wait She said trust, give it time No matter how long it takes, gotta wait! No love, love don't come easy But I keep on waiting Anticipating for that soft voice To talk to me at night For some tender arms to hold me tight I keep waiting, I keep on waiting But it ain't easy (it ain't easy) No, you know it ain't easy When mama said You can't hurry love No, you'll just have to wait She said, trust give it time, no matter how long it takes She said love don't come easy it's a game of give and take source: <https://www.lyricsondemand.com/soundtracks/runawaybridelyrics/youcanthurrylovelyrics.html>

RR: (scene) A "message in a bottle" was dropped in the water along one shore in the Pacific Northwest, and the natural current would take the bottle to the shore on the other side. The body of water was possibly Puget Sound or something similar.

SN (scene of an overweight bride who had either done something wrong or had something wrong done to her or both and she was trying to correct it...then while meditating on whether it was her or someone else who did the wrong...I was looking at a flat machine in outer space but near earth that had some kind of hand or hook or something and it grabbed something and projected it into outer space.) The machine might have been a giant clock.

AP- (after reading SN scene I heard) "Yes, corrections must be made."
