The Lord uses His Symbolic Bride and Child on His “Last Great Day!”

Meeting, October 12, 2017 – (Biblical Last Great Day), Roy, Kyle, and Faith

KE - L - **Wash one another.** I saw we were to wash each other instead of washing ourselves as we normally do. We did this to each other one at a time, washing one another as one.

HP - **Complete unity.** I saw we were to wrap our arms together and hold hands. Then I saw we were to lock arms with each other.

HH - I saw a shofar in front of me and I heard it sound loudly. When I saw the shofar sounding it shook everything in my field of vision. I saw and heard this twice. Then the shofar was very large and extended out beyond the earth, out of the earth's atmosphere into space. **At sundown prepare your mouths for the sounding of My shofars. Yes, go to My Hill. Make the call, make the call. Sound the judgment. Proclaim to both the physical and spiritual that My power is about to move in a mighty way. Proclaim and blow from the four corners. My Bride and her child proclaiming as one. The pathways are made. The hosts and angels are ready. They are awaiting the sounding.** I saw Mrs. Faith clinging to the big white cross on the mound. She was standing up and facing the north with her back to the south. **Do not doubt for My judgment is sealed. Do as I have commanded you. Share, share, share and be obedient.**

Meeting 10-12-2017 - RS

HH - I was looking at gears of a clock. The largest gear had a pin sticking out to trigger something at a precise time. (Message: Precise timing necessary.)

The action taken: We decided to start at the Northeast tree and go clockwise proclaiming and blowing the two shofars once at each tree while Faith clung to the cross.

Proclamation spoken in unity:

By the Power of Almighty God and with the Authority in the Name Jesus, we proclaim to both the physical and spiritual that the Power of Almighty God is about to move in a mighty way!

Action: The Lord said to meet. Did at the front of the cross on the mound. Instructions given - **Proclamation:**

By the Power of Almighty God, in the Authority of the Name Jesus, we declare Your Great Day, Lord, and that Your Great Day has begun in the Earth.

RS - **It is Written!**

The Lord said to seal it with the shofars. We did so, blowing Long Blasts out from the mound while turning in complete circles.
(Portrayal completed)
