God-Given Information to Move the Church from Spotted to Spotlessness - Harlot to Bride!

There shall be a New Heaven & a New Earth

God's witness is greater than ours. . .

Matthew 10:26

Jesus said ... for nothing is covered which will not be uncovered; and hidden, which will not be known. . .

God loves you and would not have you ignorant. He gives us this witness of eternal life! The following is God's vision for mankind. He is fulfilling His promise to not hide anything from us in these last days. The following scenes will only give you a glimpse, or an idea, not the spectacular details of what I saw, felt, and experienced. There are really no words to describe it, except maybe one, - **Life!**

The Humbling Experience!

Copyright 1993, revised 1996, again 1998

The earth had been destroyed, and I had been swept into space, standing on a piece of the old earth. My eyes became focused on a speck of light in the distance.

This speck seemed to be coming closer, and as I looked, I was beginning to realize that I was traveling over a great distance at a very high rate of speed toward the speck. Soon, the single white dot turned into two dots that were becoming bigger as I neared their position in space.

There was a sound of groaning all around me. It seemed to fill the universe. It was getting louder as I approached what seemed to be two lights. There came a time when I thought I was looking at two moons, like our full moon appears on a clear night, only brighter. Then blue color started to appear as I came closer, revealing that these were two spheres, more like the earth than our moon.

One sphere was very close to the other and following it through space. They were identical, except one was rotating faster than the other. The axis of rotation (of both spheres) was not like the earth's, as you can see. What an awesome sight. There was a tremendous radiation of light, or glow, from within that I finally determined to be coming through a cloud cover. Since the cloud cover and blue atmosphere were so alive with purity there is no way to really begin to describe them.

I remember seeing my right hand in front of me as I pointed at this magnificent sight. As I closed in, there was enough light emitting from within the spheres that it illuminated space. I had now entered into that light.

The glow or radiation that was permeating through my body was so invigorating, clean, and alive. "My God, what is this?" The sound in my ears was as of a million Niagara Falls. My chunk of dirt and I were not slowing down and we were nose diving straight into the first sphere. Then I lost sight of the second sphere, as it was no longer in my peripheral vision. **"My Lord, I'm going to die!"**

I was preparing to shut my eyes as I burst through the clouds to my death, but things were now happening so fast I didn't get the chance. Instead of bursting through the clouds, I suddenly found myself gliding at a high rate of speed over the top of the most beautiful sight I've ever seen. I was gliding along on top of the clouds of the first sphere.

Light (depicted in yellow) and whatever it was permeating my body, was coming up from beneath the clouds. I was moving with a great deal of speed across the planet. I soon saw, on the horizon, the other planet. I departed the first to pass by the second in the same way, cruising above the clouds. "Lord, what is this I feel permeating my body?" All the while came this same

tremendously loud roar, a groaning sound which I know now to be travail. I could just see a sliver of the last planet in my peripheral vision as I was leaving it, heading out into space again.

I was again looking into darkness. "Lord, I don't want to leave t - h - i - s . . . !"

Then an incredible voice (**all that the universe is**, was in this voice), a voice with "all authority" said,

There shall be a New Heaven & a New Earth

It was God's voice, not the Holy Spirit's, not Jesus'!

(Be sure and read about God's voice towards the end of this page.)

End of experience.

I can't tell you whether I was in or out of my body. Paul said the same thing about his visit to heaven. But I do know I could see, hear, feel, smell, and touch. I must say this experience is more real to me than the earth we stand on. The Lord melted it into my spirit. We have a loving God and He wants us to understand His plans for mankind! **He does not want us ignorant. In these last days He is simply in the process of fulfilling His promise in Matthew 10:26**

Jesus said . . . for nothing is covered which will not be uncovered; and hidden, which will not be known . . .

Scriptures concerning the New Heaven & the New Earth:

Old Testament

Isaiah 65:17

For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind.

Isaiah 66:22

For as the new heavens and the new earth, which I will make, shall remain before me, saith the Lord, so shall your seed and your name remain.

New Testament

2 Peter 3:13

Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.

The radiation and light from within the New Heaven and New Earth is "Life," caused by righteousness.

Revelation 21:1

And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

1 John 5: 8-11

And there are three who bear witness in earth, the spirit, and the water, and the blood: and these three agree in one. If we receive the witness of men, the witness of God is greater: for this is the witness of God which he hath testified of his Son. He that believeth on the Son of God has the witness in himself: he that believeth not God has made him a liar; because he believeth not the record (witness) that God gave of his Son. And this is the record (witness), that God hath given us everlasting life, and this life is in his Son.

Let's talk about John 5:8-11:

What you have just read about the New Heaven and the New Earth is the witness of the Spirit of God that eternal life exists! **(And there are three who bear witness in earth, the spirit, and the water, and the blood: and these three agree in one.)** Then the scripture reveals that the witness of God is greater than the witness of man. **(If we receive the witness of men, the witness of God is greater:)** One witness of God is through a believer. **(...for this is the witness of God which he hath testified of his Son. He that believeth on the Son of God has the witness in himself:)** Then the scripture says that the non believer has made God a liar. **(...he that believeth not God has made him a liar;)** The reason? **(...because he believeth not the record (witness) that God gave of his Son. And this is the record (witness),)** What is another record (witness) of God concerning His Son besides the witness of the inner man of a believer? Answer: **(...that God hath given us ever lasting life,)** God's testimony, by His Spirit, of the new heaven and new earth, presented on this page, is actually testimony of eternal life! What we have just read says that God's testimony of eternal life is testimony of His Son. How do we obtain eternal life, where is it? **(...and this life is in his Son.)**

God's Voice

ALL THAT THIS UNIVERSE IS WAS IN THE VOICE I HEARD.

I thank God for the voice of the Holy Spirit! I'm sharing about God's voice because this seems the proper place to do it. He told me to be a witness of it. If reading this experience doesn't humble you, hearing His voice would have. I found that what I saw and experienced is 100% biblical, even down to God's voice. For about 15 years I told people that I knew I heard the same voice Moses had heard. **I also stated that I didn't think we could "live" if we heard that voice all the time.** I know that hearing it not only changed my life but it put a reverence and a godly fear in me, to say the least.

After the experience the Lord started giving me understanding of why I felt we couldn't hear God's voice all the time and live. I found myself meditating, asking the Lord why I knew such a thing but was unable to identify the reason. Finally it hit me that it would consume you. God is a consuming fire. I soon found that scripture paints a picture of what I'd been saying. The people of Israel had heard the voice of God, Himself, just as Moses had.

Deuteronomy 5:23-29

23 And it came to pass, when ye heard the voice out of the midst of the darkness, (for the mountain did burn with fire,) that ye came near unto me, even all the heads of your tribes, and your elders;

24 And ye said, Behold, the Lord our God hath showed us his glory and his greatness, and we have heard his voice out of the midst of the fire: we have seen this day that God doth talk with man, and he liveth.

25 Now therefore why should we die? for this great fire will consume us: *if we hear the voice of the Lord our God any more, then we shall die.*

26 For who is there of all flesh, that hath heard the voice of the living God speaking out of the midst of the fire, as we have, and lived?

27 Go thou near, and hear all that the Lord our God shall say: and speak thou unto us all that the Lord our God shall speak unto thee; and we will hear it, and do it.

28 And the Lord heard the voice of your words, when ye spake unto me; and the Lord said unto me, I have heard the voice of the words of this people, which they have spoken unto thee: they have well said all that they have spoken.

29 *O that there were such a heart in them, that they would fear me, and keep all my commandments always, that it might be well with them, and with their children for ever!*

In verse 25 we see that these people who had heard the voice Moses heard said the same thing I've said about it. Of course, **I was elated when I found this in the Bible.**

In verse 29 we see that God, Himself, says we should fear Him and He wants us to keep His commandments for our own sakes. In general, people, even Christians, don't fear God and our lives show it. Even the New Testament says that we should reverence and fear Him.

Hebrews 12:27-29

. . . Wherefore we receiving a kingdom which cannot be moved, let us have grace, *whereby we may serve God acceptably with reverence and godly fear: For our God is a consuming fire.*

Well, I hope God's witness of eternal life and God's voice stirs you. I know when I think of it, I am blessed, but also humbled. I think, "Why me, Lord?" **But I know God is simply fulfilling what He said He would do in the "last days."**

Matthew 10:26

Jesus said ... for nothing is covered which will not be uncovered; and hidden, which will not be known. . .
