

An Atrocity in the White House!

Thursday, January 7, 2021 RS

Scene, I was suddenly in the White House and everything I saw was white, representing truth. I was looking at an action that took place right in front of me. The action was slick and slimy. The action was a downward action and I knew an **illegal election** had just taken place. I was wondering what was going to happen next. The scene ended.

Obviously the Lord was verifying what really has happened in the United States of America. I make note here that I knew the fact that, "I was wondering what was going to happen next" was important so I underlined it in my report.

There is a prophecy concerning "Trump and America" in the *Lord's Prophetic Time Clock* section of this site that says, "**The Republican Party will prevail over the Democrats.**" Nowhere in the prophecy did the Lord say Trump would win the election! I admit I assumed along with others, Trump would win because of the Lord's Words, "**The Republican Party will prevail over the Democrats.**" **But Trump did win** and he has been speaking truth that, "It was stolen from him."

Key here for the Lord's words to gain some true understanding concerning "Trump and America" and what God's really dealing with, in *The Lord's Prophetic Time Clock!* Or paste: "http://www.takehisheart.com/america_trump.htm" into your browser.

One thing that has happened already is that it was reported that other prophecies in the "church world" had predicted that Trump would win. It was also reported these prophets have been apologizing and that they had missed it. One way to look at the situation is that they didn't miss it and should not be apologizing. This is an example of why the Lord said to me, "**My Church is bedridden in the flesh / speak to her to wake her up....**"

So what is going to happen?

We can find some of what is going to happen in other prophecies in the Lord's *Prophetic Time Clock* information. Here is one directly relating to what has happened. Key here: The Media, The Media or paste: <http://www.takehisheart.com/The%20Media,%20The%20Media.htm>

There are also other prophecies in *The Lord's Prophetic Time Clock* that are related to what happened in Washington DC. The whole *Time Clock* has to do with what God is going to do in the world, in His Church and in the middle of it is the United States which was brought to pass originally by God **for His purposes!** This is just one of the things mankind and the Church needs to understand!
