Before we get into God building a big picture (with little pictures) concerning meetings and government, I need to share something God revealed to me years ago when He started dealing with me about the Spotless Married Bride being in the earth. That being: **people will actually be passing by a person on the street who is part of the Spotless Married Bride and not know it.** Many people passed by Jesus and/or the disciples and didn't have a clue as to who they really were. You can imagine my thought, not understanding much of anything about the Spotless Bride.

The Spotless Bride will become very visible in the earth at some point but we must understand that most people will not see her for what she is, especially in the early stages of her manifestation.

Because we are talking about meetings, we need to remember it is the acts of a woman that determine whether she is a bride or a harlot. The three main spots God revealed that are on the body of Christ all have to do with acts. So now we delve into acts and attitudes, both individually and corporately concerning meetings, which

have to do with government making us harlotrous or a Spotless Bride towards the Lord.

The first picture:

When God began to emphasize the importance of writing about meetings He gave me a scene in the night of a real-life situation. Because of his age and condition, a man I have known for years moved to another town so his daughter could help with his care. He had attended the church where I grew up. The scene:

I was watching the process of this man moving. He came to me and started to talk about his church, the one I grew up in. We were having a conversation when he suddenly said, "I hope they change their meetings!" I asked, "Why?" He said, "Because they don't do anything!"

I remember a Christmas program I attended in this church. The program was fine as far as man's standards go, but in the midst of the meeting the Lord started speaking to me. I don't remember all of what He said but it was enough to bring me to weeping. I knew these people and they had been so much a part of my early life. Some are spirit filled; I know they love the Lord and most certainly have heard His voice. I had to quit listening to the Lord in order not to weep openly. What was He saying? Even though I don't remember it all, I do remember these things: "I love these people! I want to be in their daily lives! I want them to know ME! I want to be in their meetings!"

Years ago when God brought us together as a body, one of the things that surprised me was that He was interested in the format of our meetings. God said, "**Know the purpose of each meeting.**" At that time I suppose we all had ideas of what He meant; but through the years God has continually given us more, here a little and there a little, on how to have meetings that are pleasing to Him. We are talking about meeting as a Spotless Bride, not as a harlot. We are talking about meeting under the **Kingship of Jesus**, which is far from anything democratic, like having an opinion, a vote, or a gift. We are talking about how a corporate body can become intimate with Jesus. We are talking about Jesus leading the meeting and that is more than having the presence of the Holy Spirit. Jesus is to be in our meetings as the head. If He is not allowed to

be the head, He is not leading or governing as the head of the church.

A Meeting, Golden in Nature!

When God started inspiring me to attend a meeting at *West Point Academy* in New York He gave me a scene in the night. It was shown that the meeting was golden but something was missing. It was like a sheet of paper with an incomplete house plan. I didn't know this at first but God confirmed that it was indeed an incomplete plan for a house. The scene was confirming that I was to attend and because of the scene being golden I knew it had to do with the narrow path to the marriage of the Lamb scenes that God wanted included in this information (for His purposes).

Why would God want to bring attention to a particular meeting being golden? For one thing, the meeting and its purpose was on HIS calendar of events. The following is an excerpt from [Uncharted Waters](#), a word from the Lord found on this site.

....Oh that you could hear the sound of that fountain. Can you hear? Am I not God? I say, 'Come.' I call you to My ways and My calendar of events. The church in the world has its calendar and I have Mine. Some have made their calendar from My Word, yet they err. Even those whom I have gifted have their own calendar, but I am the Lord and I have Mine. I reveal My calendar step by step. Those who learn My ways, and find My calendar, shall ride the wings of a bird in flight into victory with Me. I have designed the Way. It is Me, it is Truth, it is Love, it is My pattern, it has My purpose. Know, My calendar stands. Time is short. 'Come forth, Bride!'....

Before the New York meeting God had also been teaching us here at Take His Heart about judging and atonement. I finally realized we must judge something to be amiss before we can atone for it. In this case it was the USA. The sincere repentance for the USA, the warfare led by the Spirit of God, and the placement of the USA flag at Jesus' feet were all a part of the atonement God instructed to take place for the USA at West Point. We did not meet just to recognize or acknowledge the day of atonement,

but to actually atone according to God's will and instruction. When God gave Moses the information concerning the feast days, He included specific instructions as to what the people were to do. We must understand this in order to determine whether a meeting is harlotrous or golden to God. He tells us specifically what to do in any meeting.

The laying of the flag at Jesus' feet revealed another part of why the meeting was shown to be golden. A bride is a coworker with her husband and we are coworkers with Christ, to bring forth into the earth His bidding according to His instruction given through the Holy Spirit. If we had met to celebrate that particular day on God's calendar and did just what we thought should be done, I believe more of the plans would have been missing from the scene. From *Uncharted Waters: The church in the world has its calendar and I have Mine*. On 7-22-89 the Lord told this group, "I will cause you to walk in My statutes & judgments." Paul the apostle taught that we are to fulfill the righteousness of the Law. Just one more clear reason God would show the meeting at West Point to be golden in nature. We walked out a statute of God, obeying Him in the midst of it! We as Christians are supposed to observe the feast days mentioned in the Bible!

As far as I could tell at the time, all the people at the West Point meeting were there to serve the LORD; no person laid hands on the meeting and made it theirs. There was basically no list of events that were to take place, except God's. Moses knew he was to be used to deliver Israel, but he knew nothing of all the little events that would take place as he went through the process. It's the same with God's meetings. This is why God had shown the meeting at West Point to be golden in nature, even though imperfect.

God did show that there was something missing in the scene about the golden meeting. At first I thought this could be as simple as God wanting us to go to the meetings and bring the "thing of the Spirit" about laying the USA flag at the feet of Jesus to complete the agenda. I now know this is not true, and in the following section you will get a picture of some things no one knew at the time of the meeting at West Point. God is building a picture as He takes us through events brought about by Him.

I mentioned that God told us, "Know the purpose of each meeting." It is so easy for us to inject our own agendas into a meeting. I have noticed that we basically tend to copy previous meetings. The purpose of each meeting is revealed by God through "the things of the Spirit," both before the meeting and during it.

From Uncharted Waters: Even those whom I have gifted have their own calendar, but I am the Lord and I have Mine. I reveal My calendar step by step. God has an agenda (a calendar of events so-to-speak) for each meeting He calls, and it may not include the functioning of everyone's particular gifting or calling.

"I Give You Boundaries So You Can Find ME!"

When I was at a meeting in New York, I heard someone say, "God gives us boundaries so we can find Him," or something similar. This struck home to me and you will see why as you read.

We here at Take His Heart basically have three meetings per week: prayer, oasis, and what we call a ministry meeting or church. This does not imply that everyone else must have meetings like ours, but what is important to understand is what God has revealed about these meetings. To start with, let's talk about prayer meeting.

We were originally told that positions would be established in this meeting and we have since understood that positions are certainly established through, or from, the Holy Spirit or the River of Life. Remember the Lord said, "Government comes down the River!" It must, because the government is on Jesus' shoulders and the River of Life comes from Jesus! The church must learn how to let Jesus govern meetings and let Him establish!

Isaiah 9:6

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder:

We were told that prayer meeting was the core of everything else. The format the Lord gave us was to first get rid of the "things of the world" and then to seek the Lord for His agenda. We murmured! We thought we were putting bondage on people since we were all used to praying about sick people and other worldly concerns.

What God was trying to teach us was how to let Him be the head of the prayer meeting totally, letting Him govern. (He was also starting to take us out of our hidden mind sets. We were told that we should pray for each other at the beginning of the meeting, asking that we would have "ears to hear" and "eyes to see" what the Holy Spirit has to reveal. If a particular person was having a problem getting rid of the "things of the world," then we could pray for that individual, but after that we would then seek the Lord's agenda. All of this is to arrive at the Lord's agenda. Each person must be able to totally submit to the Holy Spirit; to be led and used by Him in order for God's agenda to come forth. You must get "things of the Spirit" to get the Lord's agenda, such as establishment of positions, direction, truth, ministries being birthed. The following is a word we received some years ago concerning meetings.

3-3-98

"Yea, I am enthused with your willingness & obedience, & yes, I am guiding & directing you. It is My desire that you come together as you've been doing, not just once but 2 or 3 times. Yes, I have chosen you. Yes, you are each called. And when you come together I give each of you different things but they are all of the same Spirit & so when you come together, let each one bring that which he has so that it can be put together, so it can be shown what the bigger picture is.And I say to you when you come together, let each one's mind & heart be clear...."

And I say to you when you come together, let each one's mind & heart be clear.... is why we must pray for those who are having problems getting their minds clear to be able to seek the Lord's agenda. As a side note we used to pray for those who were part of the group but were not at the meeting at the time. We finally realized we should not be doing this as we were only to pray for those present who need to have ears to hear and eyes to see what the Lord wants to reveal in that meeting at that particular time. *And I say to you when you come together, let each one's mind & heart be clear....* is also about not walking in our own spirit, not having our agenda! It's all about serving the Lord and getting His agenda, nothing else. He has the plan and the victory, and we need to know His plan so we can be in His victory!

When God first dealt with me about the prayer meetings He showed me it was like going to a meeting of the directors of a corporation. People sit around a table but nothing much happens until the president shows up. He controls the agenda.

We started out doing basically this: We had a short (silent - except for praying) time at the beginning of the meeting for people to get rid of the "things of the world" and pray for each other. Then we corporately seek the Lord's agenda and act on those "things of the Spirit." After it appears we are done with the Lord's agenda, individuals can then bring prayer requests to the group. It's simple and it basically lets the Lord lead and be the Head of the meeting. Scripture says the Lord is the head of His church and I've heard leaders say the same. But the church has to learn how to truly let the Lord be the head by knowing what He wants, with action rather than lip service. Truly making Him King is an action, not just words. I grew up attending meetings with our own agendas, where there was not a speck of Him being the head of the meetings, which is really a harlotrous thing! I will add to this picture but first some information about the other two meetings.

The Oasis meeting is approximately an hour of songs inspired and given by the Holy Spirit for the purpose of ministering to the Lord and proclaiming to the heavens who He is. In this meeting we are **asking nothing of Him!** We are giving the Lord praise and thanksgiving for what He has done, is doing, and is going to do. It is praise and worship and sometimes warfare, again based on what the Lord brings forth by His Spirit. Very seldom do we sing about the Lord. It is a personal matter. Logically a Bride sings to her husband privately and about him publicly. After the singing is complete we share any "things of the Spirit" we receive, so they can be recorded. We sometimes take communion during the meeting at the Lord's direction. We usually hold the meeting on a Friday night, therefore ministering (worship and praise) to the Lord on the (Jewish) Sabbath.

Sometimes revelation comes during the Oasis meeting about something the Holy Spirit brought up in prayer meeting. This is true for the ministry meeting also. We have, at times, seen a thread of revelation continue

through all three meetings for extended periods of time before we get the full picture!

Our ministry meeting is basically where we bring all the "things of the Spirit" together from the previous meetings to form a picture. Paul said,

1 Corinthians 14:26

How is it then, brethren? when ye come together, every one of you hath a psalm, hath a doctrine, hath a tongue, hath a revelation, hath an interpretation. Let all things be done unto edifying.

This is the meeting where we really expect what Paul said to happen, although it is true for every meeting. We start this by sharing all of "the things of the Spirit" people have received so we can move in the direction God wants. We may not get them in order, but God is constantly building pictures and giving revelation piece by piece. If we do things decently and a little out of order, we can still get the picture if every one understands. The exception to this would be when the Holy Spirit is moving and He won't continue on until we have done what we are to do, individually or corporately. This is a step by step process and must be done in order.

God has used the ministry meeting to show me different things. Being the overseer, I've had to learn not to carry the meeting on my shoulders. The meeting is the Lord's, not mine. I had to get rid of the idea that I must perform. God emphasized this by sending me to meetings with totally no clue as to what He wanted. The clues came in the meeting, either through some "things of the Spirit" or the music, which the Lord had given to the music leaders. The point is that I had to function off the clues at the time and not get into my own spirit. On the other hand, God sometimes reveals part of what I'm to do before the meetings.

Getting back to all of the meetings in general, God has dealt with us through the years about reverence to Him and getting rid of the worldly things before a meeting. He has constantly talked about unity (corporate) in doing things His way. It isn't so hard individually but corporately it is quite another thing. Getting rid of "self" is key as an

individual and when this is accomplished, it is easy for that individual to do it corporately.

At a meeting in **April, 2004**, a person saw, and recorded, some symbols. One of them was a barrel on wheels. She didn't know if it had the oil of the Holy Spirit in it or if it was ink. We had no idea why she saw this, but we were soon to learn that God was going to use it to confirm some things.

God had been teaching us more and more about our meetings and I had learned that the meetings were supposed to be His. Then in another meeting on April 14th, the same person saw a courtroom with pillars of white marble and white curtains. In the vision she entered this courtroom knowing she had to be quiet. She then saw that same oil barrel on wheels, and it was drawing a line around the inside of the room where we were. She then reported that the court room atmosphere is the way our meetings are to be - like a King's court! The line being drawn around the room has to do with, "He gives boundaries so we can find Him!" God had just set another boundary concerning our meetings. He did it in a big way because it is that important!

In a court room all the talk is very low, as people are preparing for the judge to appear. When the judge appears, all talking is basically stopped. Nothing is done unless the judge initiates it. Considering what we have learned about keeping a record of everything in a Flow Chart, isn't it interesting that everything that goes on in a court room while the judge is present is recorded?

I have presented how the Lord had us start doing meetings, but you will see as we progress through the information how He brought us to have *Golden Meetings* with proper protocols for the King of Kings as the Head.

Jesus is the Meeting

The next important thing the Holy Spirit impressed upon me was that not only does the meeting belong to Jesus but the meeting is Jesus - that we enter into Him.

I give testimony here of the next Oasis meeting. We as a group had talked about the courtroom atmosphere and were intent on getting it right after all the correction we had been given. I instructed the group to enter the meeting

place for Oasis as though they were entering into Jesus. I had no idea what that would be like or how to do it, but I can give my own personal testimony of what happened.

My wife and I arrived first and I looked at the door thinking I had to enter like I was entering into Jesus. There was some kind of process in my mind as I entered. I walked across the room starting to prepare for the meeting and was praying within myself, when suddenly I realized the Lord was already there. Others came and were quietly preparing for communion while I was getting the recording equipment ready. People talked very softly but always next to each other, as if in a court room. As the people entered with this kind of attitude, it seemed the anointing got stronger until it was as strong or stronger than I had ever experienced without a gift manifesting. I thought that it very strange as the meeting hadn't started and we most certainly had not entered His court with praise. We all looked knowingly at each other and I realized there was no reason for prayer or anything else. "The Lord is here!" The music started and believe me the very first song was anointed on the first note. This anointing continued throughout the meeting. We did our normal things but with a lot more reverence than usual. There was no particular miracle during all of this but I was totally blessed by the experience.

One thing I noticed is that with my mind on "entering into Jesus," it was not hard to rid myself of the "things of the world" and the thoughts associated with them. As a matter of fact they never entered my mind because my thoughts were focused on entering into Jesus! I did think during the meeting how strange it was that a mindset of entering into Jesus would produce the spiritual connection that Jesus was already there, which He most certainly was. The Lord was demonstrating that HE is the Meeting and we had entered into Him. The problem is the connection is on our end; thus "He gives us boundaries so we can find Him!" Do we really want to find Him in a greater way on a more consistent basis?

After the meeting I realized that God had simply demonstrated to us what He was teaching us, as He has promised. He was establishing everything He had revealed about the atmosphere and patterns that we should have in our meetings. Some may yell, "Bondage and legalism," but our freedom is in Him, our liberty is in Him. Why would a

person observe the courtroom atmosphere in the world system and complain about it in the Kingdom of God? Jesus is a King and if He manifested physically, so everyone could actually see Him in front of any meeting, we would immediately have the courtroom atmosphere.

The Lord told me I would be surprised at how narrow the path is that leads to life. This information concerning the narrow path to the marriage of the Lamb is no exception. It is necessary for us to receive the boundaries He gives so we can find Him on a regular (consistent) basis as a corporate body. We must realize that this is a way for the corporate body to be intimate with Jesus. This must happen corporately because the Bride of Christ is a corporate body!

A BRIDGE FOR CROSSING OVER!

I had written this information to here and asked the Lord if it was complete. That night He gave me a very clear scene depicting that the information contained in this writing is how we, the corporate body, "Cross Over" into the Kingdom Jesus revealed is all around us. There is more to come. The scene:

I was standing in what I would describe as a park. There were trees and well kept grass. It was a beautiful place. In front of me was the end of a bridge that was suspended in the air. (This is a side view of the bridge.) It had just been

built. It was made of concrete and had a very gentle arch to it as it went out to my right. It was a bridge built for "Crossing Over!" I could see three or four pipes (not depicted in the picture) on the very end of the bridge. These were used for people to throw a rope over to pull themselves up to the entrance of the bridge. There were no steps and I would guess the entrance to be 15 to 20 feet off the ground. You have to pull yourself up, using your own effort.

I was then up where I could see the entrance to the bridge. I saw the concrete to be new and of excellent quality. The inside walls of the narrow path down the bridge were a little convex upward to the hand rails. On top of the hand rails was a strip of

smooth steel embedded in the concrete. This made it easy to slide your hands along on both sides, if you wanted to. This bridge was certainly built for one person at a time to pass through, or over, but I also knew it was built for a group to pass single file. A corporate thing is possible! The floor and hand rails were perfect in width and height for walking. There was something beautiful about this construction and its shape that I cannot describe, other than I think it was its purpose that added the strange beauty.

IT IS A BRIDGE FOR "CROSSING OVER!"

"Crossing over" has to do with crossing over into God's kingdom and it most certainly has to do with the Marriage of the Lamb, simply because God injected it into the information concerning the narrow path to the marriage of the Lamb.

Again I laid the information down asking God if it was complete. The Lord gave me a vision showing me that I would be going back to rewrite some of what I had written, that I needed more seed. I knew the seed would have to come from God in the future! There is more to come concerning "Crossing over."

Meeting held 12-19-04

At this time I shared the information with the group here at *Take His Heart* and more scenes that God had given me. One scene depicted me having to beat, over and over, this information into a doorpost (jam) to make it come alive. This was easy to understand because the reason God instructed the Israelites to write His Word on their doorposts is because they needed to see it every day or they would forget it. We don't remember information very long; it is sometimes lost in our minds in just days. I

realized that we as a group were sinking back into our old ways and not concentrating on walking into Jesus when we have meetings. I understood why God had said what He said in a previous meeting on 12-12-04: Through our watchman we were given the words: – "Corporate." "Erase the old," "Instill" "MY word," "Perfection," and "Praise ME."

Of course we praised Him but we didn't understand what we were to get rid of that was old. You see, we had not **erased the old** way of having "corporate" meetings. The old familiar way was creeping back in. (If you totally erase something it will not come back.) We were to **Instill - God's Word** to us about walking into Him in meetings and this has to do with "Perfection."

As we discussed this I reminded everyone that God had frequently been telling us to "listen." I suggested that because God was dealing with us so often about meetings during this "particular window of time," that He was saying for us to listen when we enter into Him. In other words, *"Here I am, Lord. I have no agenda. I am listening for instruction. I am desiring to hear what You have to say. You are my King, I am your liaison."*

I have realized that God is helping me to beat this information into people's minds by giving me more and more visions while I have been writing this. It is about conducting meetings pleasing to God. I share another vision so you will understand this when I give you the interpretation God gave me. The vision:

I was looking at a section of carpet being taken up and made into two balls about the size of a basketball (or bigger). As this was happening the carpet changed into a fabric similar

to Velcro. It also turned from brown to black. I was then looking at two black balls suspended in the air side by side. I saw a few sheets (8-10) of regular paper (20 - 24 Lb) being stuck into the fabric. The paper did not curl or fold and fall like it would in the natural. These papers were placed on end all over the balls sticking straight out. Both

Standard paper all over the spheres

Many more papers than shown.

balls and papers seemed to be identical. I was told, "Do not let these leave the office."

This scene made absolutely no sense to me and I wondered if I had put something in this information I should not have. I shared the scene and asked people to pray because I did not want to write anything that I shouldn't.

As we discussed this, I shared the following question. Is the total format for a meeting (all that God has taught us), including the concept of walking into Jesus, for the leaders of the church or for the whole church body (including children)? I felt it was ridiculous to be distributing this information without knowing the answer to this question. It became obvious to me that leaders of the church need to know this in order not to be harlotrous towards the Lord.

On 12-20-04, I had another golden vision. I was watching a very wealthy man build houses (mansions). I was taken to specific places here and there all over the world. This man would point his finger and say, "I want to build a house here!" The terrain of the areas he chose made no difference because of the vast amount of this man's wealth.

Then I was looking at the most difficult area in the world to build a house. It was a full color scene of rocks that were about 8 - 10 inches wide with spaces between the rocks of about a foot. Since the whole area was this way one would have to be careful just to stand. I saw the wealthy man point to this area and He said, "I want to build a house here!" Immediately I saw a plumber putting pipe through the solid rock and the house was started. Then the scene changed to the finished house and I was inside. I was looking at this wealthy man's very large family. I was making a special effort to look intensely at the family to see who they were. There were old people down to babies the size that could sit up in your arms. The scene ended.

I knew God had given this information about His meetings for the whole church. A house represents what we believe and do in life. This was a "golden house." With the wealth (golden) representing "knowledge and understanding," a golden house can be built anywhere in

the world according to the Lord's will - even in the hardest places. Without the wealth (knowledge and understanding) it cannot be done. God has given us this knowledge and understanding through the "things of the Spirit." The reason for the plumber being first on the scene concerns piping. Piping transmits needed information. I have been piping to you in this information.

After I awoke from this scene, the Lord gave me the interpretation of the two black balls suspended in mid air. The brown carpet turning into black spheres with white papers being inserted represents what we walk on (in) - the correct earthly walk becoming black and white. (I had already been shown the front of this writing was colorful [the golden meeting information], but it turns into black and white within the writing. The information is black and white on how to conduct meetings.) The papers standing stiff means the information on each sheet stands alone. The two spheres represent the New Heaven and the New Earth as seen on this site. The papers and spheres being identical corresponds to one sphere being heaven and one sphere being earth and us praying, "Thy will be done on earth as it is in Heaven." (The patterns in heaven concerning God's kingdom need to be manifest exactly in the earth.)

When I was in heaven there were meetings going on and God was in charge. I can guarantee that they knew the purposes of each meeting and God's agenda for them. God's people have been praying for God's will to be done on earth as it is in heaven. Are we up to the task of change? It takes effort to pull ourselves up to the entrance of the bridge for "Crossing Over." Will we exert the effort?

Why did God say to me, "**Do not let these leave the office?**" He was telling me never to lose this information from the office of prophet or apostle; that I am responsible to keep it. I am also responsible to keep beating this information into the doorposts of people's houses (belief system) so Jesus can truly become the head of His church, as a Husband and King.

God has given this vision to help beat the information into our doorpost so we never forget it! Our meetings must be pleasing to the "King of Kings" in order to become intimate (corporately) with the Lamb of God.

Intimacy is a must to have a good working, on-going marriage.

To encourage everyone I will say that this may all seem a little overwhelming, but I can assure you that it is simple when you understand why. It's simply getting rid of all of our flesh (self) in a meeting. Here is another scene given during this same window of time: The lady who saw the oil barrel and the court room scene also saw a person climbing out of the water into a boat. The person sat down on a white seat at the back (there was no motor). The boat was white and blue with some finished wood at the front. She did not report this scene during that meeting, because she said it was gross. She said the person was bloody, as if all of their skin had been peeled off. I told her that the colors of the boat were good, including the white seat and that all the skin being gone from the person probably meant being totally void of flesh or "self." Boats and ships represent the church and this boat could represent a single meeting, corresponding with what God is teaching us. The effort here to climb up into a boat on our own would represent the same effort on our part indicated in the Crossing Over bridge scene. We have to make the effort. God will not do it for us. There was no motor or steering on this boat. This means God can take the meeting (the boat) where He wants (by the Holy Spirit) instead of us steering it our way (by the flesh).

I have been around a real king in the natural and I can tell you that you do not just approach a king as you do any common person. We simply must meet with our King of Kings on His terms and accomplish His agenda for that time. We must walk into Him as He desires (fleshless - without self), looking for His agenda!

Simple Don'ts and a Do!

I realize to some this may seem extreme but, nevertheless, close to the truth. There are a lot of things that can interfere with walking into Jesus for a meeting, especially when it comes to corporate. Because of this I was thinking that all of this was impossible on a continuing basis. I was in a prayer meeting when the Lord said to me, "If something goes wrong or trails off the correct path, don't make a big deal out of it, just bring it back on course." This is a "Do."

As I said, I have been around a king and we are talking about meeting with the King of Kings. During this window of time, I spoke to the group about coming to the meeting with eyes set on really seeing the King. I can tell you that if we were really going to have an audience with a king, and especially the King of Kings, we would be focused early in the day on what was about to happen. We would have our mind on being dressed properly but not to bring attention to ourself. There is a message in this fact as clothing depicts our acts symbolically, and we should bring no attention to ourself or anyone else. When we enter a king's court room we are centered on the king.

At that time we met in a barn and if we knew the King of Kings was in the barn (physically), we would not be talking in the parking lot with our neighbors about what was happening at work or what color dress they had on, etc. There is no way we can do this before a meeting and be focused on entering into Jesus when we enter the meeting room or building. The idea of Jesus really being there in a different way in these last days can be hard to get a hold of.

On *Take His Heart's* site it is revealed that Jesus is here at/on earth in a different way than He has been in the past. After the Holy Spirit revealed this to us through the White Horse scenes, Jesus has been talking to us differently, as if He is personally here in our meetings; and it is not just like letting the Holy Spirit move in meetings. Jesus being here differently is evidenced through a word through another ministry not connected to us. Here is a portion of that word:

I will now reveal that which has been hidden, but I have not come to reveal only sin that has been hidden; I have come to reveal the hidden mysteries of the last days, says the Lord.

So you see, Jesus is revealing in the world that He is here in a different way. He is here in our meetings and how we enter into the meeting, our attitude and our thought life affects the meeting. Little things are important and how to let Jesus be the head of meetings is a learned thing.

Behind the Lord's Heart

I'm so glad that God gives us pictures so we can get a hold of what He wants us to understand. Meetings are important, and corporations and kingdoms could not exist or function correctly if there were not meetings of some kind. The same holds true in the Kingdom of God in the earth.

As God dealt with me many times about meetings, I saw why. They had to be conducted in a way that let Jesus be the head. With the new boundaries He was giving I was wondering where it was really going and what's so important about meetings and why does holiness enter so much into the equation. (Not man's idea of holiness but God's idea of Holiness.) It was around this time that the Lord was dealing with us about holiness; that He is Holy, which is something we know and have known. I was headed towards a meeting when I was just thinking, "What in the world is so important about meetings and all these fine lines; why is this going on and on?"

I suddenly had a vision and I was inside the Lord looking at the back side of His heart. His body was way bigger than mine and His heart was right in front of my nose. The Lord said, "I have not had a woman I could love on!" Shaken, I instantly thought, "My Lord, He has never had a woman He could adore since the beginning of time! Israel was never the Spotless Bride and neither was the early Church."

I emerged from the vision with a boundless desire to have meetings acceptable to the Lord. I understood that the Bride is a functioning group of people flowing together, letting the Lord be the head. The thing that bothered me now was the fact that I could not make this happen. It takes a yielded group, both to the Lord and to each other, each functioning in their proper place and all without their own agenda.

I understood that the Lord had used a phrase that I had used in my younger years with my wife so I would understand what He was saying. This phrase meant things as simple as just holding her hand, "loving on her."

We must understand that it is in a meeting the bride can be manifest as a single body, whether she be a harlot or a Spotless Bride. The Lord will not love on a harlot like He will a *Spotless Bride*. He can do so much more because the *Spotless Bride* lets Him be the head of the

meetings or, better put, lets Him take His position in the Body of Christ. In this experience the Lord was simply revealing to me **how important meetings are** when you cross over into His Kingdom, striving to become spotless in Him.

Obedience Without "Self"

I am placing this information here because "self" is a very important element to understand concerning *Golden Meetings* and corporate warfare.

October 13, 2004

The Lord said, *"You cannot walk hand-in-hand with me as My Bride and have "self."* It is important that we understand this statement because it is an absolute truth. It is not about the Lord not making exceptions for anyone; it is just a fact. Walking means moving with the Lord. One can move with the Lord, but walking hand-in-hand is moving perfectly with Him. "Self" will keep you from moving perfectly with Him! In 1989 the Lord gave this ministry a word which reads in part:

I would say unto you; be obedient unto Me. I have sought you out, and be obedient to Me. Take this not as a light thing. Who are you? No one! I alone am God.

Isaiah 40: 17

All nations before him are as nothing; and they are counted to him less than nothing, and vanity. (There are more scriptures that paint this same picture.)

Moses got into "self" when He struck the rock instead of speaking to it like the Lord commanded. He momentarily lost his *"hand-in-hand"* with the Lord and it kept him from going into the promised land. "Self" will keep an individual or a corporate body from receiving their full reward. This makes "self" a big issue! Let's examine what happened.

Numbers 20: 7-12

And the Lord spake unto Moses, saying, Take the rod, and gather thou the assembly together, thou, and Aaron thy brother, and speak ye unto the rock before their eyes; and

it shall give forth his water, and thou shalt bring forth to them water out of the rock: so thou shalt give the congregation and their beasts drink. And Moses took the rod from before the Lord, as he commanded him. And Moses and Aaron gathered the congregation together before the rock, and he said unto them, Hear now, ye rebels: must we fetch you water out of this rock? And Moses lifted up his hand, and with his rod he smote the rock twice: and the water came out abundantly, and the congregation drank, and their beasts also. And the Lord spake unto Moses and Aaron, Because ye believed me not, to sanctify me in the eyes of the children of Israel, therefore ye shall not bring this congregation into the land which I have given them.

Moses got into "self" revealed by what came from his mouth, " *Hear now, ye rebels; must we fetch you water out of this rock?*" "Ye rebels" reveals Moses' disgust and "must we" reveals total "self" at that point. But more importantly to understand is that because Moses got into "self" the Lord was not able to get the result He wanted with the children of Israel. You might say, "But Israel got their water!" No, that's not the important thing! The Lord's full purpose was destroyed. Consider His statement, "*Because ye believed me not, to sanctify me in the eyes of the children of Israel,....*"

The Lord wanted to do something, besides giving water for the children of Israel, which Moses and Aaron were completely unaware. God does not always reveal the end results of our being instantly and totally obedient until we obey correctly. This is true individually and corporately. So we catch a glimpse of why the Lord told us, "*be obedient to Me. Take this not as a light thing.*" Perfection in obedience (with no "self") is important, so we must pay attention and do exactly what God says to do. "Self" interferes with the Lord's governing being established in the earth.

I was in a meeting where I had a vision of a certain woman (whom I didn't reveal) in the group serving communion. I knew all of the women were to serve, one by one, in future meetings. I went back to the tape recording and found that I gave an uncertain word concerning what the Lord had revealed to me about the women serving. They were to serve, saying nothing, unless the Lord said something. I had gotten into "self,"

thinking the Lord gave this because some of the women would be hesitant to serve communion thinking they should say something as they served it. "Self" works this way and sometimes we don't catch it in ourselves when it happens. I had thought it was a lesson in corporate obedience, as we have had this happen before. After listening to the tape I knew I had watered down the true message from the Lord to where it was unclear to the group. The instruction was really very simple, "Have the women serve communion and don't say anything unless the Lord says to say something!"

At the next Oasis meeting (2-3-2006) a lady came through the door and told me she was to do communion. I said, "Ok," but was a little puzzled because she was not the woman I had seen in the vision. She served communion but first she presented some information.

During the second Oasis meeting (2-17-2006) another woman was moved to serve communion. I was thinking that God was doing something in the women as they did this but I was soon to find out differently. She served it quietly and sat down to say a quiet prayer. I joined her, thanking the Lord softly for what He did for me. Afterwards I knew I had gotten into "self" - I had always talked to the Lord softly at some time during communion. It was then that I knew we weren't getting it and I was determined not to say anything the next time unless the Lord said something or gave instruction right then.

At the third Oasis meeting (3-3-2006) the person who was moved to serve was the watchman. She reported afterward that she had asked the Lord, "If I am, are there any words to say?" And the Lord said, **"There are none!"** We didn't know this had happened as she was serving. She finished and we were sitting with communion in our hands and we partook as each individual wanted. We sat there silent as a group for a while. Then something indescribable happened. It was much more than the presence of the Lord; He was there earlier in the meeting. It was more than an anointing. It was corporate intimacy (for the lack of better words) "and more" with the Lord. All of us had finally conquered "self" corporately and now we were experiencing something supernatural that God wanted to do, which was beyond anything we could have imagined. Moses and Aaron hadn't imagined the second supernatural event the Lord wanted to do, in their

particular step, and we hadn't either, in our particular step as a body.

I said it was "more than intimacy" and this is why! The Lord did something in the group that we really can't explain. We have been different, as a group, since this happened. It manifested only because of corporate obedience without "self." I encourage everyone to do exactly what the Lord tells you to do, individually and corporately. Examine the exact instruction from the Lord, every jot and tittle of what He reveals. If you misread or assume you know what the Lord instructs, you have already missed it. I have seen this over and over in very simple instructions. "Self" is the culprit! It was a supernatural event that Moses missed because of "self," and it was a supernatural event we were missing until we got it exactly as God instructed. "Self" was involved in me not giving clear instruction.

The thing we must realize is that if Moses had not gotten into "self" and had spoken to the rock as he was instructed, it would have changed the children of Israel themselves or the circumstances concerning them. That means future events would have been altered. We know the future of this corporate body and what God has for us to do has been affected because of what happened from this corporate supernatural event. It was a necessary step in God's will or plan for us to complete so we can go on to His next step. This fact is being revealed in the *Corporate Flow Chart* even now!

Years ago God told me to do something. I didn't obey because of "self," and now a ministry is missing in the earth that God wanted. Think of the far-reaching effects of "self" by imagining all the people that one ministry could have affected over time. What about the people that those affected people would have affected? It goes on and on forever. It is easy to see in this case that the "self" in me was against the government of the Lord, His governing, and against His ability to bring forth into the earth His perfect will!

Do you realize that if the apostle Paul had not gotten into "self" that the book of Acts would be different? One cannot imagine the far-reaching effects of that. Keep in mind that the early church was not spotless as you read through this, and that "self" comes against the governing of the Lord. Paul speaks:

Acts 20: 22,23

And now, behold, I go bound in the spirit unto Jerusalem, not knowing the things that shall befall me there: Save that the Holy Ghost witnesseth in every city, saying that bonds and afflictions abide (await) me.

Notice the word "spirit" is not capitalized in, "I go bound in the spirit unto Jerusalem." This reveals he was in his own spirit, his own will, and Paul even says the Holy Spirit is warning him of what will happen in every city he entered. Now Paul moved on to Tyre and the Lord again warned him not to go to Jerusalem!

Acts 21: 4

And finding disciples, we tarried there seven days: who said to Paul through the Spirit, that he should not go up to Jerusalem.

Paul moves on to the house of Phillip, the evangelist.

Acts 21: 9 - 14

And the same man had four daughters, virgins, which did prophesy. 10 And as we tarried there many days, there came down from Judaea a certain prophet, named Agabus. 11 And when he was come unto us, he took Paul's girdle, and bound his own hands and feet, and said, Thus saith the Holy Ghost, So shall the Jews at Jerusalem bind the man that owneth this girdle, and shall deliver him into the hands of the Gentiles. 12 And when we heard these things, both we, and they of that place, besought him not to go up to Jerusalem.

Paul was now being not only warned again but was being told specifically what would happen! Paul mentions "*mine heart*" and reveals "*self*" again.

13 Then Paul answered, What mean ye to weep and to break mine heart? for I am ready not to be bound only, but also to die at Jerusalem for the name of the Lord Jesus. 14 And when he would not be persuaded, we ceased, saying, The will of the Lord be done.

God wasn't ready for Paul to die because He still had plans for him. God was sending His government (here a little and there a little) down the river of life through the

Holy Spirit to guide Paul into His will, but Paul was paying no attention to the "things of the Spirit" at this time. He was into "self" (pride of ministry). Paul should have stopped and added up all the "things of the Spirit" to realize that he was not on God's path, fallen on his face, and asked God what his next step should be. Again, there is no question about this as revealed in this scripture.

Acts 21: 4

And finding disciples, we tarried there seven days: who said to Paul through the Spirit, that he should not go up to Jerusalem.

Miriam and Aaron

God brought my attention to Miriam and Aaron in a vision during a meeting. Right in the very center of the meeting I saw both of them confronting Moses. I was standing in the place of Moses or was Moses for an instant and was experiencing the atmosphere that was emitting from Miriam and Aaron as they attacked Moses/me. I knew it was them although they were somewhat blurred. The words being emitted from the two were many, overlapping from words to Moses and words in our time. *"We have the Holy Spirit like you do. We can hear God just like you. We know how to follow God as well as you! We know how to work the Flow Chart as well as you."* They were many and they came at me like a big ball all at once. There were written words coming in with the actual voices. I think some were the actual words of Miriam and Aaron to Moses but I don't know that. The feeling of the atmosphere emitted by Miriam and Aaron in the vision was very hard to comprehend; therefore I couldn't put words to it until I read the account again in the scriptures.

Numbers 12: 1,2

And Miriam and Aaron spake against Moses because of the Ethiopian woman whom he had married: for he had married an Ethiopian woman. And they said, Hath the LORD indeed spoken only by Moses? hath he not spoken also by us? And the LORD heard it .

When I read, *"And they said, Hath the LORD indeed spoken only by Moses? hath he not spoken also by*

us?" I was able to identify a lot of the atmosphere emitting from Miriam and Aaron in the scene: arrogance, pride, underlying control, and I saw "self" big time. Miriam and Aaron were into "self." I realized I had read through these scriptures many times and never saw this aspect of this incident.

One thing that should be realized here is that "self" (pride) was attacking the governing or government of God. Aaron and Miriam thought they were doing right; after all, Moses had married an Ethiopian woman. They had wrong motives and their own agenda, not God's. God had set Moses in a position of government. He had anointed him to bring the children of Israel out of bondage - a specific job.

After Miriam became leprous Aaron repented for what they had done. Moses, even though he had been attacked, without "self" and full of compassion, cried out to God on Miriam's behalf. So in the two instances in Moses' life, speaking to the rock and crying out for Miriam, we see it is easy for anyone to get into "self" at any given moment. Moses' life reveals both being in and being out of "self."

When I was writing this information I had a scene in the night of looking at the picture I had made of the *Secret Place*. I knew the Lord wanted me to bring it up again.

Those of you who have seen it in the past will realize that I took out the shadow of a wing and inserted the shadow of a King. That is the way it is and the main point: KING.

Looking at the picture the Holy Spirit brought up, we see for sure that "self" will keep anyone from the *Secret Place*. The two are incompatible!

Note: One aspect of "self" has to do with pride and following our own spirit rather than the "things of the Spirit" presented by the Holy Spirit at His will.

The Lord said, "You cannot walk hand-in-hand with Me as My Bride and have "self."

Tried as Gold:

Zechariah 13:9

And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, the Lord is my God.

In a vision I saw golden people standing on the narrow path as a corporate unit. They were focused on the Lord. God put us through a simple exercise to give a picture of a corporate body fitly joined together as a unit, moving at the Lord's military command for His purposes. It's not about our purposes; it is about His purposes. God told us years ago, "You are in a war whether you believe it or not!" The battle is the Lord's! Let's do our part, letting Him be Commander in Chief!

Jesus is the King of His Kingdom, the *Commander in Chief* of His Army; **He is the One with the victory, and the battle plans**. When God conducts spiritual warfare, He lays instructions out, step by step, as seen with the prophet Ezekiel. **Following correctly (corporately) in sequence is the key to success, complete success.** God dealt with us on 11-9-2005, about complete victory and the enemy's complete defeat resulting from corporate body obedience. Letting Jesus be the *Captain of the Host*, giving step by step instructions, in any meeting brings victory to what He desires. The married Bride of Christ

moves only at His command, without her agenda. One thing for sure, Jesus is to be the choreographer, giving each step in our prayer and Oasis meetings from beginning to the end.

Commander in Chief

I could have put more of Ezekiel's story here, but I believe I have put enough for us to see that step by step obedience brings great results in spiritual warfare. I do suggest you read more of this section of Ezekiel, thinking about step by step instructions, and the complete victory that can come from doing so. **Remember the weapons of our warfare are not carnal!**

Ezekiel 4: 1 Thou also, son of man, take thee a tile, and lay it before thee, and pourtray upon it the city, even Jerusalem: 2 And lay siege against it, and build a fort against it, and cast a mount against it; set the camp also against it, and set battering rams against it round about. 3 Moreover take thou unto thee an iron pan, and set it for a wall of iron between thee and the city: and set thy face against it, and it shall be besieged, and thou shalt lay siege against it. This shall be a sign to the house of Israel. 4 Lie thou also upon thy left side, and lay the iniquity of the house of Israel upon it: according to the number of the days that thou shalt lie upon it thou shalt bear their iniquity. 5 For I have laid upon thee the years of their iniquity, according to the number of the days, three hundred and ninety days: so shalt thou bear the iniquity of the house of Israel. 6 And when thou hast accomplished them, lie again on thy right side,

The following scene reveals where the Body of Christ needs to come to; that being hand in hand with Jesus.

10-31-2004

In this scene the Lord showed me I was either in front, behind, off to the left, or off to the right, instead of next to Him. In the scene I finally joined Him, side by side, on the Golden Narrow Path. I knew it was not

just me who had the problem but everyone. Jesus was waiting on us as a corporate body to join Him, stand there, and then He would take us to the world. In this scene I had asked Him if there was anything we needed and He said, "Comradeship as a body, keeping purpose in mind. Remember, it's a brand new day." (We must understand it is His ministry to the world and not our ministry to the world.)

10-8-2005

Scene: I was in a hospital room in Wichita, KS standing with the head instructor behind the men seated as shown. The men were all doctors of the hospital and clothed in fine linen. (This means they did not have the three major spots God has revealed to be on the Body of Christ at large.) The main instructor (a doctor in fine linen also) was talking to me about the men and even pointing them out, one by one, starting at the left rear corner as he was talking. **He said that every man had to correctly learn what they were to do; that they had all been trained wrong; that nowhere in the world had the training been done right. He emphasized that each individual had to be retrained individually.** This is when he was pointing to individuals, making sure I understood. I knew these doctors could handle anything, I mean anything, that came along. They were sitting quietly in a meeting waiting for the main instructor to show up. (This reminds me of when the Lord asked me, "How long will you wait?")

I was given this scene on **10-15-2005**. In the scene I was reading scripture. I was telling the people what to do from the scripture and seeing what they were to do at the same time.

I saw people on the golden path. Up to this point I had always seen the Golden path extended way up ahead. This was a section of the path and it represents a corporate meeting time. These people were doing nothing but standing, waiting, focusing on

Jesus, who was moving, represented by the white in the middle. (The next three pictures reveal the sequence.)

I saw the golden people (skin and clothes), refined as gold, turn in unison to take a step up the narrow path with the Lord.

As soon as they started to take a step corporately, they were instantly absorbed into Jesus!

With a great flash of light they became one with the Lord!

They were now moving with Jesus as a corporate body!

In the scene I knew that if everyone **did not** move physically, corporately, as this picture indicates by the second person in, the implosion into Jesus would not occur!

10-23-2005

In this scene I was looking at a family (dressed for church) that was larger, with more children than depicted here. They were leaving the room and I was saying to them, **"Don't leave; you can do it. It's really not that hard!"**

God is saying the *Body of Christ* can learn how to let Him run things step by step, and I encourage you to believe that. It looked to me in this scene that the age of the youngest was below twelve. Even they can learn.

The following picture happened at a prayer meeting on 11-9-2005.

Looking forward past a miracle, an incident on the Golden, Narrow Path

God said we must learn to look past a miracle and keep pressing on down the Narrow Path.
Jesus did it this way and the disciples did it this way.

The Lord took us through a simple exercise as a corporate body.

God told us that we must learn to look past the miracles and press on down the narrow path!

Everyone must move!
It's a corporate body
focusing on each step.
Demonstration of this -

The sequence of events start with **No.1** at the bottom. I received this word from the Lord as I was traveling, preparing for the meeting, thinking about entering into the Lord without any agenda of my own because He is the meeting as He explained to us.

Notice no. 9 God was revealing to us that the pattern we went through will produce His complete victory in the wars He would engage us in, in the future. To follow through corporately will bring complete victory, His complete victory. **Battle Plans** were His words!

What does it Take?

The Married Bride of Christ is most certainly refined as Silver and tried as Gold!

Tried as Gold:

Zechariah 13:9

And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, the LORD is my God.

What does it take to be one of these refined as silver, tried as gold people? First we must understand that what God ordained the *Married Bride of Christ* to be in the earth **must be fulfilled**. All the prerequisites must be fulfilled and most of these things are foolishness to the carnal mind. But Jesus Christ fulfilled, by action, what He was to fulfill. He could not have said, "By faith I believe that I am the Son of God" and had it be so without fulfilling (acting out) the prerequisites. He totally fulfilled the prerequisites of being the Son of God. The Bible says (Proverbs 16:12), "...for the throne is established by righteousness"; this is a law or prerequisite to fulfill in order to acquire the throne and that positional authority. Jesus fulfilled the righteousness of the Law and acquired the throne legally. The Spotless Bride must totally fulfill the requirements of being a spotless wife (in/through her acts) to legally hold the *Wife of Christ's position* in the earth and gain her positional authority. Those requirements are being revealed by God Himself through the "things of the Spirit" because it is time for the *Spotless Bride of Christ* to manifest in the earth. **It's all about walking hand in hand with Christ as His Spotless Bride.** If we don't fulfill His requirements, we are simply not there; even if we think we are!

Here are parts of the answer of being one of these people tried as gold:

*No one can have an agenda or be thinking about their function or position in the Body of Christ.

*Focus on Jesus, obeying;
He is the choreographer of the whole meeting!

***No self!** I personally believe the best picture to be that everyone is to be in the "Secret Place."

*We must also be walking in the basics:

*We cannot have any of the three major spots as revealed to be on the spotted church by the Holy Spirit. This means we must have paid our back debt and are continuing to handle God's tithe correctly. We must understand and be walking in the mechanics of tithing, salvation, and how the Holy Spirit teaches. If we think we can sneak by, leaving one element (prerequisite) out, we are mistaken. **Jesus Christ could not leave any prerequisite of fulfillment out,** and neither can we. It is written in Zion!

As an example, recently we had a person quit tithing correctly but was continuing in other areas of their walk. Sometimes when I was around this person, the Holy Spirit would say, "God is not mocked!" In a vision the Holy Spirit finally revealed this person had opened themselves up to a flood of the enemy. The point is, this person was not really a part of the people "tried as gold" even though they were present in the same meetings.

I know of an instance where a preacher had taught how to tithe correctly but left out the back debt information. I'm not sure why and maybe he didn't have time. What must be realized here is this lack of information is hurting the cause and function of the *Kingdom of God* because the enemy can enter in to destroy legally. It is important that we have everyone in any group fulfilling all the prerequisites so we have corporate effectiveness in what the Lord is leading us to do as a corporate body.

The prerequisites must be fulfilled to be in the *Married Bride of Christ*. If we don't walk in them, fulfilling them, we are simply not in the *Married Bride of Christ*. It is that simple and one reason the Lord told me to tell everyone to set their eyes on Brideship! It is actually a legal matter in the spirit realm, just as it was a legal matter in the spirit realm concerning Christ being established in the earth as the Saviour of the World. How? Through His acts of fulfilling God's Word/prerequisites. It is the same for the Spotless Bride! She must fulfill the requirements of God to be in her **God-given position** in His Kingdom, period! That position is an authoritative position the church in the world has never before attained.

The *Married Bride of Christ* is refined as silver and tried as gold according to God's plan and requirements! (God revealed, "We can do it"; it is really not that hard as revealed in the reminder scene to the right!)

The Lord said,

"I'm looking for obedience, not accomplishment!"

Are we/you focused on accomplishment?

The Lord said, "Fusion!"

The Lord has been teaching us about growing up into Him. He has even given us a song that includes the thought. It is most certainly Biblical.

Ephesians 4: 15

But speaking the truth in love, may grow up into him in all things, which is the head, even Christ:

The scripture reveals that we are to grow up into Him in all things. This information concerns being refined as gold and growing up into Him, the head. We will see the importance of keeping a Corporate Flow Chart, for without being able to go back for the "things of the Spirit" (in some detail) we would be left totally missing what really happened, as revealed by God! I did not know anything more than I reported in the "*Self*" article until I checked with the *Corporate Flow Chart*. When I looked the picture was easily seen.

Some of this information is the same testimony that is in the "*Obedience without Self*" information pg. 19, but with more illumination. That article is about "self," but this information is really about what the Lord was doing with us, unknown to us. Actually one must read both to get the fuller picture of events.

A vision on 1-20-2006:

I was in an Oasis meeting where I had a vision of a particular woman (whom I didn't reveal) in the group serving communion. I knew all of the women were to serve, one by one, in future meetings. I gave an uncertain word concerning what the Lord had revealed to me about the women serving. They were to serve, saying nothing, unless the Lord said something. My giving an uncertain word contributed to the length of time it took for us to finally obey the Lord, 1-20-2006 to 3-3-2006. The instruction was

really very simple, "Have the women serve communion and don't say anything unless the Lord says something!"

In a ministry meeting on **1-29-2006**, the Lord gave several words. The first word was **"command."** The watchman asked if there was anything else about command and saw **"fusion."** Then she saw **"call it forth."** She did so and saw **"now go."** Then at the end she saw, **"I have spoken it!"** I remember all of us looking at each other in dismay and we talked about the word **"fusion."** We had no idea what the Lord was talking about at the time. This is a good demonstration of the Holy Spirit giving here a little and there a little. Of course it is easy to see, looking back at this information, after being through what we have been through. Looking back, the Lord was talking about the command He had given that the women were to serve communion and not say anything unless the Lord said something. He revealed He had spoken a command and that we needed to call the fusion forth. The **"fusion"** was in God's plan although we had no understanding of it at the time.

Condensing some of what is in the *"Obedience Without Self"* information on pg. 21 we had three meetings before we finally did what the Lord wanted us to do, resulting in total obedience in silence producing the result the Lord wanted. After performing correctly we sat there silently for a while and I was sure not to even pray but to just sit waiting on the Lord. Remember, then something indescribable happened. It was much more than the presence of the Lord; He was there earlier in the meeting. It was more than an anointing (for the lack of better words), it was a supernatural event and indescribable.

It wasn't until I went back into the *Corporate Flow Chart* to verify all the information for the *"Self"* writing that I found the words **"command"** and **"fusion,"** and the correct picture was formed before my eyes. I was elated at finding more understanding of the supernatural event that had occurred on **3-3-2006!**

In previously written information, *Commander in Chief*, we find these pictures concerning people refined as gold. It was with these pictures from the Corporate Flow Chart and the information the Lord gave in the meeting on **1-29-2006**, which contained the word **"fusion"** that the

picture came together. I was given this scene on **10-15-2005**, so we see how far back we sometimes need to go in the Corporate Flow Chart for understanding.

In the first scene we see golden people all focused on what Jesus is doing, represented by the white in the center of the narrow path. In the center of the narrow path is the *Corporate Flow Chart* as explained in other articles on the site. Jesus was moving rather rapidly on that path and the only way I could depict this was with a white blur, which is almost what I saw. I did see him moving in the blur or streak in the vision.

The Lord gives a command to the corporate body and in perfect unison they turn to the direction Jesus was moving up the path. Then like lightening they are imploded into the Lord, as the sequence demonstrates.

In the implosion scene of the *Narrow Golden Path* the color cannot be depicted correctly. It was intense, clear white, transparent, as refined gold becomes transparent in its purest form.

Bringing this all together we see that this body finally obeyed a very important command of the Lord, as a corporate group. Our eyes finally became focused on what the Lord wanted, all at the same time! We had finally acted in faith corporately, concerning the command. I remember the Lord saying, **"You cannot be married to me and not be focused on what I am doing!"**

God says that in a marriage the two become one. This sequence certainly reveals this to be true. The *Bride of Christ* is a corporate body so it has to be done corporately! It doesn't work if one person is not in unity

with what the Lord commands, as depicted by this next scene.

One person missing it (as depicted on the right) stops the perfection in obedience and the whole group misses God's supernatural blessing for the group.

Biblical reference: Israel did not get a blessing because Moses struck the rock rather than speaking to it. (See *Obedience Without "Self"* information.)

You will notice in the last scene after Fusion into the Lord that the golden people do not fall back out of Him, but remain there. The Lord has been dealing with us about having our feet embedded into the narrow path, which has to do with the Corporate Flow Chart. We are certainly different now as a corporate body and this comes up in discussions every so often.

Something happened supernaturally from a supernatural event and it remains. It needed to happen and it has changed future events in our lives.

Ephesians 4: 15

But speaking the truth in love, may grow up into him in all things, which is the head, even Christ:

Fusion - Silence

Please remember to look for the total picture presented by the Holy Spirit, but know there are absolutes within that picture. The next information will give more insight into meetings, spiritual war-fare, and Kingship. Regarding the mural of the

site, this article would be a puzzle piece touching on those subjects as pictured above. Along with the new I will be mentioning things already written and using some pictures already used, with links to those articles.

We have entered into the “Day of the Lord!”

Zephaniah 1:7 NKJ

Be silent in the presence of the Lord God; For the day of the Lord is at hand,....

Years ago the Lord revealed some meetings in New York to be golden, but that there would still be something lacking or wrong. I had no clue as to what He was talking about. I did not understand the picture He gave me. (This is just a semblance of what I saw.)

In the *Golden Meetings* information I revealed that the Lord had confirmed it was an incomplete house plan. Our house represents what we believe and in this case what we believe to be a good meeting was shown not to be complete like the Lord says it should be. Through the years God has given more revelation of the picture - more of His house plan for meetings.

The Lord has said, “I give you boundaries so you can find me!” The picture reveals we didn’t have the boundaries we needed to fulfill what was missing. In New York I didn’t know the boundaries; no one there knew, but the Lord has revealed more since then.

One time the Lord told me to draw a square and to put inside the square all that is required to be His Bride. What I saw was a solid golden square. The solid gold square represents the boundaries we cannot step out of and be in the *Married Bride*. I understood you could step out of the square and step back in, but I also knew you could not be out too long or the Lord would divorce you, just as He did Israel when she was disobedient for so long.

You see you can have a *Golden Meeting* one time and the next meeting may not be golden. We can walk as a Bride for some time and then return to harlotry, all because of our actions. It all comes back to a simple question, did someone or the whole corporate body step out of the boundaries individually and/or corporately. Was there disobedience?

This information is very exciting to me because it reveals some of the why's as to what God has been telling us

about Fusion - entering into Him, and the importance of silence at certain times. We must understand that Israel entered into Fusion, or was already in Fusion, with the Lord at the Battle of Jericho. The battle was won by the Lord. Israel, as a corporate body, did spiritual warfare at the command of the Lord. Had there been no Fusion between the Lord and the army of the Lord the walls would not have come down! There are boundaries in order to have *Fusion* with the Lord in what He is doing. Step out of those boundaries and *Fusion* doesn't happen, or quits happening. The Corporate *Fusion* with the Lord also symbolically represents being married to the Lord, in that the Corporate Body becomes one with the Lord in what He is doing.

Genesis 2:

24 Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.

There is an element revealed in the *Through the Fire & The Lord Said Fusion* information that is of great importance to understand. That being the silence related to entering into the Lord and what He is doing. On **10-5-2007**, during an Oasis meeting, the Holy Spirit revealed to me why silence was involved in us obtaining *Fusion* with the Lord and why silence is involved in walking into Him (Him being the meeting). The reason for silence is because the Lord is Holy. Our beliefs cannot change this fact so we need to see the importance of silence being an important component, especially when the Lord reveals silence in His instructions. We did not attain the first *Fusion* until we became totally silent in our corporate action as instructed. Although we had done the action more than once there was no *Fusion* with the Lord in

warfare until we had the silence required. Why? Because He is Holy!

So let's look at what happened in bringing down the walls of Jericho. I would suggest that you read the whole

story, starting at Joshua 5:13, but for our purposes here let's look at where Joshua gives instruction to the army. The Lord had given instruction to Joshua and now he was instructing the army:

Joshua 6:

*7 And he said unto the people, Pass on, and compass the city, and let him that is armed pass on before the ark of the Lord. 8 And it came to pass, when Joshua had spoken unto the people, that the seven priests bearing the seven trumpets of rams' horns passed on before the Lord, and blew with the trumpets: and the ark of the covenant of the Lord followed them. 9 And the armed men went before the priests that blew with the trumpets, and the rereward came after the ark, the priests going on, and blowing with the trumpets. 10 **And Joshua had commanded the people, saying, Ye shall not shout, nor make any noise with your voice, neither shall any word proceed out of your mouth, until the day I bid you shout; then shall ye shout.***

Now the camp of Israel was just outside the walls of Jericho and for six days the army marched around the walls as instructed and on the seventh day they encompassed the city seven times and came to the moment when Joshua said to shout. The people heard the trumpets, shouted and the walls fell down flat.

Was silence required? Yes, and Big Time! The whole army hadn't uttered a sound from their mouth for seven days. Look at what Joshua commanded:

10 And Joshua had commanded the people, saying, Ye shall not shout, nor make any noise with your voice, neither shall any word proceed out of your mouth, until the day I bid you shout; then shall ye shout.

The reason they could not utter a sound is because the Lord is Holy and He came onto the scene to do battle for Israel, delivering His promise. The corporate army had

to have Fusion with the Lord, entering into what He was doing just as He has shown us.

Looking at the pictures of *Fusion* given by the Holy Spirit revealed in the *Fusion* writing, what was the Lord doing

on His golden path? He was delivering Jericho as promised and the *Corporate Army of Israel* entered into the Lord and what He was doing. This resulted in *Fusion* and victory for Israel. When I saw the original scene of the *Fusion* of the people into what the Lord was doing on the *Golden Path* (seen in the picture above on the right of light being exploded out), I knew there was a great amount of energy being emitted when we enter into what the Lord is doing.

Israel took the spoils as commanded, but in the next chapter Achan disobeyed and buried some treasure under His tent. He and his family lost their lives over this and the army of Israel lost men, totally opposite of what happened in the Battle of Jericho. Achan became the person out of sync/

step, the second person in the front depicted in this fusion picture. Therefore no more *Fusion* with the Lord. Israel was in covenant through obedience, she was married. We know that God later divorced Israel because of her disobedience. All of this is a necessary picture to understand.

We must be aware of the importance of understanding silence because of the fact the Lord is Holy. When I went back over the writing, *Through the Fire*, I noticed the scene of all the doctors waiting on their instructor in silence. In the scene I was told that they all

needed to be retrained, that no man knew how to do what the Lord wants, His way.

For more illumination of meetings and *Fusion* with the Lord, I believe this is a good place to share something that happened here in a meeting. It has to do with everyone being in sync or not out of step, as pictured by the second person in the front of the last *Fusion* picture.

Remember God said this concerning meetings, "If something goes wrong or trails off the correct path, don't make a big deal out of it, just bring it back on course." We were in an *Oasis* meeting and the Lord had revealed a certain way communion was to be taken. A person forgot to turn off their cellphone and a grandson called, just as I was starting to give instruction. The person did not receive the call but then the phone rang again and the person was concerned something was wrong and left the room to answer it. Those of us who were left said nothing and I waited for the person to return before giving the instruction. (I was blessed that no one spoke or uttered a sound because anything would have distracted the meeting from being focused on the Lord and what He wanted.) The person returned and I gave the instruction for the communion. All of this, communion included, was done in silence except for the word's of instruction.

The next morning the Holy Spirit gave me a scene of a corporate body fitly joined together. I could see arms and legs but they were packed together with no air space between the people. It was a *Corporate Body* alive and it moved perfectly together as a unit. The people's skin color was the same color as the clothes they were wearing. I had a hard time describing the color, saying it was white with a tinge of silver or silver with a tinge of white. It kept bothering me and I know now it was the Holy Spirit hanging in there to get the message of the color across to me. Later it struck me that the color was the same color I encountered seeing the explosion of light I saw when the people entered into what the Lord was doing on the golden path in the *Fusion* scene. I knew it had to do with what had happened the night before in the meeting. The Holy Spirit was wanting us to realize we had walked correctly through what was said to us, "If something goes wrong or trails off the correct path, don't make a big deal out of it, just bring it back on course." We had maintained *Fusion* and a big part of that ability was to remain silent before the Lord.

Later the person who received the cell phone call called me to apologize and suggested that we should have gone on with the meeting. I explained that had we done so we would have been out of sync as a corporate body, and therefore we would not have accomplished the *Fusion* in what the Lord had instructed us to do concerning communion. For further illumination it should be noted that the Lord has said, “**You cannot be married to Me and not be focused on what I am focused on!**” During this corporate meeting had anyone uttered anything, taking the corporate focus off what the Lord’s focus for us was at the time, we would have left *Fusion* (our married status) just as the Lord stated: “**You cannot be married to Me and not be focused on what I am focused on!**”

I had written this information to this point before and then the Holy Spirit gave me a vision:

November 6, 2007

In the night I was shown a scene with continual activity. I had awakened from it and after thinking about it, I then had a vision. The vision caused me to forget the details of the first scene so I have written all that I remember about it. In the

following vision I was standing inside of a circle of what was like a circle keyboard but the keys were shaped like tombstones with a rounded (convex) top. I will refer to these as keys. The keys were wider, in proportion to the length, than on a normal keyboard.

Anyway, my attention was drawn to three of these keys because they were different in that something was going on with them that was not going on with the rest of the keys in the circle. The three were side by side and their color was different. I walked over to

the three keys, raised them up like a lid that was hinged at the back, and saw people chatting with each other.

I put the lids back down and motioned with my hand to remove them out of the circle and to the right. I saw the three lift up and go out to my right, leaving a gap or hole in the circle. The chatting people could not stay.

I saw the circle close up and now it was smaller than it was originally. It was then that I knew this was all taking place in boot camp on the Hill God Calls *the Place*.

Coming out of the vision these three song phrases came to me,

*An Oasis You said it would be
And boot camp also we will see.
For in Your army we choose to be,....*

All from a song called A HILL CALLED "THE PLACE" given in July of 1991

Because of the information revealed through the "things of the Spirit" in the *Corporate Flow Chart* the meaning of the symbolisms is easy. The tombstones have to do with dying to self. Remember, Jesus said that we could not walk hand in hand with Him and have "self." No one in the army of Israel had "self" during the Battle of Jericho. We must understand that the army of Israel was the army of the Lord, the same as we are to become the army of the Lord.

We are in the process of learning to be in the army of the Lord and as the song phrase reveals (*For in Your army we choose to be,....*) we must choose to be in His army. It is not an automatic thing. The armies of the world have rules to maintain discipline or they would have chaos and would never win any battle. The Lord is revealing boundaries or guidelines so we can maintain His military units without chaos so He can win the battle as He did at the Battle of Jericho.

The vision taking place in boot camp on *the Hill God Calls the Place* reminded me of one of the main pursuits concerning *the Place*. God said, "**Bringing forth 'the Bride' is the most important thing**" and that it would be a continual process over time. Boot camp is a hands on learning experience and the only way to learn all that is in the Quick Start Guide is to enter into doing it. Then you will have a boot camp experience.

The circle represents covenant. The impression of a keyboard has to do with the Lord being able to play any of the keys He wants in any combination He wants just like the militaries of today use different units at different times. Because there were groups of people under each head stone, I know these stones also represent military units.

The lack of silence is the reason for the people being thrown out of boot camp. Silence is one of the boundaries or keys to not being taken away from the Lord's focus in a meeting. This boundary helps us keep focused on what the Lord is focused on. Silence is a must element to understand when entering into the Lord (*Fusion*) as He does battle, as revealed in the Battle of Jericho. There is a time for silence, mainly because He is Holy!

Zephaniah 1:7 NKJ

Be silent in the presence of the Lord God; For the day of the Lord is at hand,...

Military Units

In a dream I was looking at a freshly dug trench stretching across the land with heat pump units in it every so often. The heat pump units were connected by large duct work and it was all done in military green. I have made a semblance of what I saw in the picture. The heat pumps were much further apart but you can get the idea. What you are looking at stretched across creeks and roads going out across the land. I was looking at what was to be built in the trench.

Then the scene changed to the trench being freshly dug without anything in it. I saw beautiful water come into the trench. My attention was drawn to the east end of the trench. I saw three or four men dressed in suits jump into the water and they began horsing around just having fun in the water. I knew this was not good and I thought, **“They were not supposed to be doing this as this was serious business.”**

I came out of the scene wondering what it was all about and the Lord started to give me the interpretation over the next several days. Talking to people who had been in the military was one thing the Holy Spirit used.

The water is the *River of Life* that pertains to the *Quick Start Guide* information plus knowledge of the *Fusion* information, etc. The scene depicts military units the Lord wants to build across the earth. These units are to be controlled by Him and can have various differences in jobs

just like in the militaries of the world. Because of the heat pump symbol with the duct work being so large we know the units all have the same atmosphere. This has to do with the information in the Quick Start Guide creating the correct atmosphere when meeting with the Lord. The duct work also symbolizes being fitly joined together, which involves a *Corporate Flow Chart*. I have included a scene showing the ductwork and the connection of all the units being hidden underground.

I have depicted in the water scene the military unit that is to be built where the men are just horsing around with the “things of the Spirit.” These are men who have received the information given, but are doing nothing with it. They are doing their own thing! This is a serious thing the Lord is doing, a life and death situation for many people, beyond what these men understand. The Lord is here on His White Horse to do battle and He needs these military units, just as He needed the army of Israel to obey Him at the Battle of Jericho. He was on the scene then to do battle, just as He is here now to do battle in these End Times. We have entered into the period of time the Bible talks about being “the Day of the Lord” and He is starting to build His army to do battle!

The finished units spaced unevenly across the land has to do with the information in the *MEETINGS - ON THE NARROW PATH* writing where the Lord said, “Build me one here,” pointing to specific places across the earth that He wanted something built.

We must understand that it is the Lord that instigates all battles, not us. Israel did not instigate the Battle of Jericho, the Lord did. He brought it up. He does the same now, we have experienced it.

The Lord of the Book of Revelation

In a vision on **September 26, 1989**, I saw a very mature man standing about a block away with His sword in His hand. The sword was to His side with the tip to the ground. At the time I called the sword a scepter because the sword carried

authority like a scepter. He was a warrior but had no shield or helmet, just the double edged sword that carried all authority. I don't know how to describe His clothing except to say simply it depicted strength and was made of leather. I knew I was looking at the Lord of the Book of Revelation, none other than Jesus Christ. He was standing on higher ground than we were, waiting on us to come to where He was.

The Lord of the Book of Revelation had all authority!

God never does anything without a purpose so I knew there was at least one reason I was shown the *Lord of the Book of Revelation*. Just lately, some eighteen years later, when I was beginning to bring together information to write about the army of the Lord entering into spiritual warfare with Him at Jericho, my attention became focused on the following:

Joshua 5:

13 And it came to pass, when Joshua was by Jericho, that he lifted up his eyes and looked, and, behold, there stood a man over against him with his sword drawn in his hand: and Joshua went unto him, and said unto him, Art thou for us, or for our adversaries? 14 And he said, Nay; but as captain of the host of the LORD am I now come. And Joshua fell on his face to the earth, and did worship, and said unto him, What saith my lord unto his servant? 15 And the captain of the Lord's host said unto Joshua, Loose thy shoe from off thy foot; for the place whereon thou standest is holy. And Joshua did so.

The Lord had come on the scene. Joshua called Him Lord and the ground had become holy at the manifestation of the Lord. This doesn't happen to the ground when angels come and angels of God don't allow man to worship them. Jesus was on the scene to do battle. Joshua saw Him with a sword, just as I saw *The Lord of the Book of Revelation* having just a sword.

God is not the author of confusion and it is safe to say that *The Lord of The Book of Revelation* will be doing great things, and more, in our lifetime like He did at the Battle of Jericho. He needs His Bride to come to understand His ways, knowing the boundaries, to enter perfectly into what He is doing at His command, just like the army of Israel did at Jericho.

We know the White Horse is here now through the "things of the Spirit." The dispensation of everything the White Horse depicts is in progress now. The White Horse with the Lord on its back has been seen standing in the midst of our meetings more than once and by different people. Jesus is here like He was at the Battle of Jericho. He is here in a different way. I have talked to some intercessors outside this ministry about this and they agreed it is different in the spirit realm. Jesus is here to bring forth His Bride, to do battle, and bring forth His Word in the Book of Revelation.

The sword I saw when I saw *The Lord of the Book of Revelation* is the same sword I saw carried by the Lord on the White Horse of Revelation 6 & 12. God is not the author of confusion. The White Horse of Revelation 6 carries a bow

symbolizing covenant, just like the rainbow symbolizes covenant and the convex surfaces on the bridge for crossing over represent covenant. .

Covenant is how we cross over into the Kingdom of God. This is why the Holy Spirit is revealing how we come into covenant with the Lord - how we get married to Him. It's on God's calendar that is revealed by His Spirit! See *Uncharted Waters*.

The other horses in Revelation 6 are also sent by God, just as the spirit of death was sent to the first born of Egypt. Israel had to obey God and put the blood of a lamb over/on their doors or that spirit of death would have also taken their first born. It is the same picture now in that

Jesus bought forth the new covenant sealed by His Blood. Christians must enter into that blood covenant through obedience to be protected during the dispensation of all the other horses in *Revelation* six and end times. *The Lord of the Book of Revelation* is waiting on Christians to come to where He is now in His battle. The battle is the Lord's!

**Jesus is the *Captain of the Host* -
Our Commander in Chief!**

Individual/Corporate Golden Meetings

The Lord's words:

Thu, 23 May 2013

Be obedient. Listen for My Commands. Train yourselves to hear Me. Faith is key to hearing Me. Silence is key to hearing Me. You must have silence and faith. Silence, faith, obedience, these are the keys to discipleship. Disciples are disciplined in My ways. My disciples hang on My every word. My disciples love Me. Will you be one of My disciples?

The Lord has informed me that He wants everyone to learn how to do individual Golden Meetings regularly.

This is not to say a man and wife could not do them together.

There needs to be three places established, either in one room or by moving to other rooms. I know people who do it all in one room by simply going from one point to another in the same room. All of this should be decided by the individual before starting. I will talk about these three points by numbers.

The protocol is patterned after the temple setting.

1. The Outer Court where the Laver was. 2. The Holy Place where the Altar of Incense was. 3. The Holy of Holies where the priest actually entered into Jesus once a year.

A person should have pencil and paper to write on; actually a note book is best so they can have a continuous record. Be sure to date each meeting on the paper.

At the first point, number one, the first thing to do is to take your shoes off if you have any on (reverence). (Don't be in a hurry about any of this.) The next thing is to symbolically wash at the Laver like the priest washed at the Laver in the temple. (Jesus said no one could enter the Kingdom unless they became like a child.) So symbolically we wash in Jesus' blood at an invisible Laver. When first starting this a person should thank the Lord for His blood and symbolically wash their ears and eyes so they can see what the Lord wants them to see and hear what the Lord wants them to hear. Washing our whole body symbolically is an act of faith in the physical, but it does real things in the spiritual. (The Lord said that washing at the Laver symbolically helps keep the enemy out! It also cleanses us so we can enter into Him in the silence.)

Fri, 17 May 2013

Day by day, one day after the next. Obedience each day adds to the next until the disciple emerges. Obedience and silence are key. Hear My voice in the silence. Do what I say. Have faith to hear Me. I AM real. I do exist, doubt not. The more faith you have the easier it becomes to hear Me. Always wash at the Laver. Keep the enemy out. Tomorrow is another day. Stay close to Me today.

Listen for My voice throughout the day. Seek Me in prayer.
You will find Me. I AM always with you.

[After a person has done this in several meetings they may not want to say anything when washing at the Laver so that they will have already started into the silence. Everyone should be listening all through these three steps as the Lord may say something during any of these steps.]

After washing at the Laver, move silently to the second point, the *Holy Place*. This is the place where a person should establish silence by being silent for a period of time. (Remember, always be listening.) This is also where the Lord showed me He likes to love on us and we should adore Him back silently. (One time, during this time, He showed me a man and woman in a loving embrace, to get me to understand this.) After establishing or producing some silence we then offer the silence up to the Lord. This has to do with the *Altar of Incense*. Remember the Lord said the silence is the incense. It is what we can produce to give Him. I suggest having the person turn their hands up when they offer up the incense to the Lord. (In our corporate meeting we have had the Lord thank us for offering Him the silence produced.) This is necessary to enter into the Lord, symbolized by the priest having to go past the Altar of Incense to go into the *Holy of Holies*.

After the person has offered up the silence, they move to point 3, the *Holy of Holies*. They should be seated with pen and paper to write down what they see and hear. Silence is Key - remember the Lord said He is in the silence. If the Lord says to do some movements, just do them and return immediately to the silence. A simple action might be the Lord telling the person to clap their hands a number of times. When the Lord does these type of things He is teaching obedience and it is spiritual warfare.

The Lord may not have a person do actions for a while; it's all up to Him. Sometimes the Lord will deal with family situations, or the person themselves, or give a word for the Body of Christ, etc. This is all the cleansing of the Lord and the intimacy He desires with each person.

When the person is done receiving (the Lord may reveal the meeting is over in some way) then they should

reverently move back to position number one. That part of the meeting is over. If it is a man and wife or more than one, they should discuss what each one received, always keeping it all recorded in some way.

The Lord said it takes practice and it does. Remember not to take an agenda into these meetings. **The Lord has the agenda.** The Lord has revealed that He wants everyone to get silent before Him in this way because He wants to be able to warn us of things that are to come on the earth in the future, and He wants to be able to give us instruction. (Remember the Lord met with Adam every morning for companionship and to give counsel.) Knowing how to do this will be a restful blessing among some of the chaos that is coming in the future.

Wed, 29 May 2013

Now is the time to get serious. You know how to do what needs to be done. Silence, obedience, listening. I'm looking for the faithful, obedient ones. Believe. My will, will manifest. Come and be a part of what I AM doing.

If I was teaching, I would set up the three points across the stage in front of the people, explaining each. I would then get one or two individuals and walk them through the actions in front of the people. They may all want to walk through it. The point is to get them to relax and realize how easy it is to do. Some may not receive much from the Lord at first and some will receive more. It takes practice in every case.

When doing this as a corporate group this is the way the group needs to circle up in the *Holy Place* to produce the silence and the single person, the Bride. The Lord told us He likes a tight circle in unity as one person.

Groups of people should also keep a central repository of information from individuals having these meetings with the Lord.

Judgement Meetings - Crowning the Lord KING!

For a little back ground, when the Lord first started having us meet in a barn, in that barn we found a 4X8 sheet of plywood with a picture of Jesus wearing a crown painted on it. The Lord began teaching us about Him being a King and that we didn't know how to treat Him as a King. We placed this picture of Jesus in a place were people would see Him when they came into the building. We had a variety of different denominations among us so I understood that the church in general doesn't know how to treat Jesus as their King. I certainly didn't know.

Through the years the Lord taught us to do what He calls "*Judgement Meetings*," where we present questions to the Lord in an envelope with people not knowing what is in the envelope. Hearing His answers without knowing the questions keeps our souls and spirits from hindering a clear recording of His answers.

On **12-16-2012** I asked the Lord the following question, pertaining to adding more people (on line) to doing our Judgement questions with us as a ministry. The Question:

"LORD, am I to talk to the group doing the site envelopes about the Super Structure & ministry questions?"

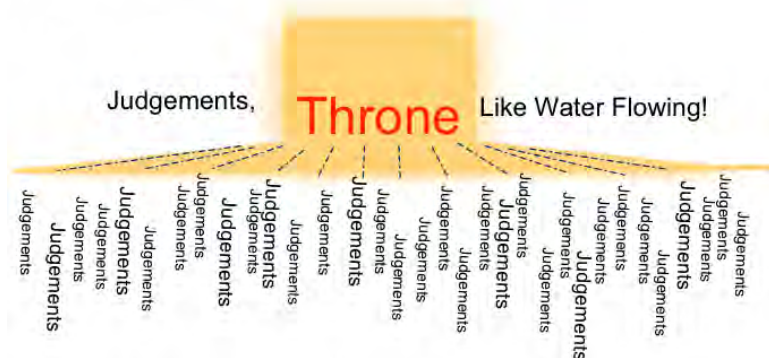

Here are the answers from the Lord (through various people) to my question:

Person A - "Prepare; anointment; My Prophet; worthy; appointment"

(The Lord revealed to prepare to do it.)

Person B - Scene, he was before the Throne & saw Judgements flowing down, solid like water flowing down, so wide in front of the Throne that it was beyond what he could see. "clean slate"

(I made a picture of what he saw and from our experiences, Judgement questions are instrumental in manifesting “clean slates.”)

Person C - Scene, Saw a right hand dusting something / somewhere.

(Symbolically, this has to do with removing soulish thoughts that can creep in when asking questions.)

Person D - The Lord had her hold her hands up so nothing would leak over. "receive; My cup; overflows; for you"

(What she received went right along with what Person B saw and is pictured above.)

I point out that we previously had *Judgement Meetings* after almost every regular meeting. I didn't know it, but the Lord was about to let me see a most spectacular scene to prove His Point about making Him King. Three days after asking the Lord the above question we had a *Judgement Meeting*.

12/19/2012

What I saw during our inquiry for the first envelope question of that meeting:

I was suddenly in a Throne type Room, not for a flash of time, but for some time. I got to look around a little, all for the Lord's purpose. To give you some perspective, I was up higher and the member's (in front of me) heads were about belt high on me. The part of the floor I saw was covered with a rich, deep red carpet, what I call covenant red. It should be noted that this room was wider than the pillars and I don't know if the red carpet went out to the pillars or not. All of us who were at this meeting were physically in our regular places for *Judgement Meetings*; only in this scene members were around twenty five to thirty feet apart, in a line as we usually are (as pictured). The pillars on the outer edge of what I saw looked like glass, meaning pure gold. This was a large room, much longer than it was wide. The only physical thing of this

world I saw was the Island in front of me where we present the questions to the Lord. I didn't see myself, but the other people in this meeting seemed to be wearing some kind of robe. I'm not really sure of the color. In front of us was a rise, a platform, about four to six feet or higher and was also covered with rich, deep red carpet. This is where Jesus stood, not sitting on a Throne. If there was a throne I could not see it behind Him. There seemed to be a lot of area (not pictured) behind Jesus. Jesus was wearing a very white king's robe with possibly white fur or something different as a wide trim. I wonder if the robe had some pure gold on it, or in it, because of how it looked. HE was wearing a most spectacular crown of glass, meaning it was pure gold, with diamonds on it. He had a shepherd's staff in His right hand. He may have had ahold of even more. I had already seen Jesus in heaven and had seen Him crying more than once over what He has to do in End Times, but this is the only time I have seen Him wearing a crown. I cannot say enough about His splendor or that of His crown!

The Lord was showing this so that our group would see how important *Judgement Meetings* are. I didn't get emotional looking at the Lord in all that splendor but it was inspiring, fascinating and totally beyond awesome. I did tend to get emotional when I looked at the backs of this group standing as individuals before the Lord this way. My Lord! This was a *Judgement Meeting*, what an honor for us to be in it!

Jesus' crown was taller and wider than any I have ever seen. The ribs across the top were about an inch wide and there were several of them, each with diamonds every four or more inches apart. The crown looked light. The head band was not wide and I don't think it had any points on it. It was an immaculate crown.

This scene was totally awesome, beyond words, seeing Jesus crowned King on Earth. I have realized that Jesus was crowned King in heaven by actions, but He has never been crowned King on earth by men's actions until now. We as a people can call and declare Him King of our lives, but those are just words. One time the Lord said, "I

don't want your lip service!" He was wanting our acts along with what we speak. So for us to crown Jesus King we must make Him King of our ministries and our lives by going to Him for every situation, for direction and answers. The Bride does this! It is the Lord's ministry in the earth, so how else can we know details? That is why the Lord has given us protocol for *Judgement Meetings* with Him as King.

Meeting 12-19-2014

HP - "The protocols done before a king are not religion."

Doing Protocols before a King is not a religion, but simply "**honoring a King**." Doing *Judgement Meetings* is not a hard thing and the Lord revealed they can be done even around a picnic table in a park. So we see they can be done anywhere; we only need to know the basics and the protocols.

Did you know that in the Temple there was a protocol for the priests to follow when asking questions of the Lord? I don't know all of the protocol, but there were stones of the twelve tribes on the high priest's garment. Also, there were two items (Urim and Thummim) that somehow designated a "yes" or "no" when the priest asked a question. From this we understand that the Lord was controlling things then. We need to be asking many more questions of the Lord now, so we can stay more accurately on the Lord's path for us. For a long period of time the Lord has been telling us, "**ASK, ASK, ASK**" for this very reason. We cannot assume what the Lord wants; we must ASK!

It is imperative that ministries who want to let the Lord be the head have *Judgement Meetings*, as well as *Golden Meetings*. The reason why is to hear if we heard correctly about anything, helping keep Python and our own spirits out.

Here is one simple example of why Judgement Questions are needed: Years ago we started having books translated overseas. People would ask if they could translate and we sought the Lord while making a decision, instead of before making a decision. We had some mishaps of having some books translated to find out the translator couldn't translate correctly for whatever reason.

So we learned to ask the Lord through envelope questions, as we came to understand that the Lord is the only One who knows if a person can translate correctly.

So here is the general pattern we use now for getting books translated through using Judgement questions. 1. We ask the Lord if the person can translate correctly? 2. If the answer is affirmative we ask the Lord if we are to use the person for this purpose? 3. If that answer is affirmative we let the person translate. 4. Once the translation is done we ask the Lord if the translation is correct. 5. If the Lord reveals a, "yes," we continue on using the translation as the Lord directs.

When the Lord reveals to us to do something, then we should ask Him how and when. This is making Him KING through actions, not just lip service. It takes an action on our part to really make the Lord King over our lives and ministries!

Quick Start for a "Judgements Meeting"

Revelation 5:10

And have made us to our God kings and priests: and we shall reign on the earth.

The Lord has revealed the importance of "*Judgements Meetings*" and that is why I am putting this on this site for people to start practicing.

Here is a simple plan for people to start with for asking questions of the Lord. This way will get you started so that you can better learn the protocol necessary for coming before the Lord as the *Bride of Christ*, as priests. With practice, refinement will come and you will see the desires of the Lord. Always be reverent and orderly, with your shoes off. The goal is to learn and grow into all the protocols needed so your group will come to be receiving "*Pure Judgements*," not influenced by our own spirits or Python. So that is something to look forward to and with this simple way you can get started towards that goal.

First, each question should be written on paper and placed in an envelope, one question per envelope. All envelopes should be alike but with big numbers on one

side. There should be at least two, three or more envelopes shuffled, keeping the numbers hidden on the bottom side. No one should know or want to know what is in any of the envelopes. Questions in the envelopes could be most anything: an email request, a person, a situation, approval of an action, or anything the Lord should be deciding instead of us. Now you are ready to begin. Here are a few steps to follow. View the following as a picture.

1. In silence, form a circle - this is a Golden Meeting atmosphere. Wash yourself at the laver by symbolically washing in Jesus' Blood. How else can we stand before Him clean? Say things like, "Cleanse our ears, Lord, that we may hear" and "Wash our eyes that we may see." "Cleanse us that we may stand before You for Your Judgements!" Then establish silence together as a group.

2. One person from the group will lift a basket holding the envelopes up to the Lord and say, **"Lord, we present the contents of these envelopes to You for Your Judgements!"** The basket is then placed in a convenient place for the person who lifted them up to the Lord to pick up each envelope as the group works through them.

3. That same person takes the top envelope and everyone in the group also takes hold of it. (If your group is too large for everyone to touch the envelope, then put the envelope out on something where all the people can see it.) In silence wait for the Lord. We have done this standing and it usually does not take long. Everyone needs to relax and listen to the Lord. Some will be given words and some will have scenes from the Lord. This opens up what the Lord wants to say and keeps our own spirits from influencing us. When each person is finished receiving from the Lord they let go of the envelope until all but the first person is left holding it. (If your group is too large for all to touch the envelope you may need to devise another method for signaling when everyone has finished.) Everyone writes what they received on their personal paper.

4. The person holding the envelope then turns the envelope over revealing the number of the envelope so each person who received something can put the number by their information received from the Lord. They should

use their initials for identifying the information the Lord has given them. Descriptions should be as brief as possible, such as two or three words or more to remind that person of the scene they saw. Any words received should be written totally as received at this point.

5. Repeat steps 3 and 4 for each remaining envelopes. Remember to always be reverent and orderly.

6. All envelopes are placed back into the basket and the person who has been in charge of the basket will preside in the “after” meeting where everyone shares what the Lord has given for each envelope.

7. We are seated in silence at this meeting. The scribe states the number of the first envelope and everyone reports what they received. At this time more detail can be given by each person about what they received. After the Lord’s Judgements are recorded the person in charge opens the envelope and reads the question. This brings what the Lord revealed together with the question. Discussion and some judgement may need to be made, but keep it reverent and orderly being careful to not get in the flesh. This is a time when the Lord may have given instruction to do warfare for someone - you should do it here in an orderly manner. Sometimes (during this time) we ask for more illumination of the Lord’s answers.

8. All of this is a learned process, which takes practice. Don’t get upset when mistakes are made; the Lord will guide you through it.

9. Repeat step 7 for each remaining envelope.

10. All information should be recorded permanently for future use, preferably in both a computer and on paper. A computer allows for information to be searched and retrieved later. Our scribe does this—it’s a big job!

Remember the Lord revealed *Judgement Meetings* can be done around a picnic table. The main elements are:

1. Washing. 2. Silence 3. Shuffling two or more envelopes at a time with no one knowing what is in the envelopes.

4. Presenting the envelopes to the Lord for His Judgements. 5. Going through the envelopes one by one inquiring of the Lord on each. 6. Recording the results. Other elements are adjustable according to different situations!

If you have a larger group you might consider forming two lines and facing north as shown in the *Judgement Meeting* picture. This way people face north when inquiring of the Lord and turn towards the envelope when they are done receiving letting every one know they are done. This works well for us.

The Lord told us we had to practice, practice, practice.
