Kingdom Government Meeting 4-7-2021

Report: We just got back from what the Lord has called an Exploit. It has to do with the year of travel for the Bride. In the meeting in the *Holy Place* below the Lord talks about "His Crew." That was about the four of us who He sent on the Exploit.

To fill you in on a little: the first and the main part of the Exploit was for the four of us to walk around the capital building of the United States of America seven times in the same pattern of the battle of Jericho. We were instructed to start each walk at noon each of the seven days it took to do this. There is a lot more to all of this as you would suspect. I'm sure we will be revealing more at a later date.

So we will have to play a little catch up on the Lord's *Leading Edge*.
I'm not sure it will be in order, please understand and be patient.
Peace and Blessings, The Lord has not forsaken the USA!

Sabbath Judgment Meeting, April 20, 2021 (Many will call what I do evil)

Turn the judgment table towards the east. Place your feet in the fires and write My words - I have and will continue to impregnate your feet with My righteous judgments. A terror for some and a blessing for others. These feet shall stomp and tread out the enemy. The hidden enemy, Child, that many have been unaware of. I have positioned your feet. I have stationed them. They shall stand upon the mounts of discernment by My Spirit. A greater call is coming forth. In the depths of many they have longed - they don't even know what it is, but something much more alive than what they have been accustomed too.

(period of silence went by)

Stand to your feet and turn the judgment table back to the north. Self must be eradicated. Self must be eradicated within My people. There must be no self. My righteous judgments are soon to spring forth here and there. Be aware of them, My people that you miss not the progression of My judgments. I will confront many portals that have aided the enemy and bring them to judgment. This will increase clusters of evil but this is to expose. See and understand. I will judge many portals in Palestine and in other areas in the Middle East. I will expose the congregations of the enemy after I have judged their aiding points. My manifested judgments will shake and divide - many will call what I do evil because they do not recognize what is good, what is necessary, what is holy, and what is righteous. Many tote along with the enemy because they desire the praises of men. I will provide stumbling blocks in their journeys so they may see who they have been keeping company with.

As I have said before, the lines of delineation are growing stronger and stronger and more vibrant. Many assume I use to divide and reason among themselves through the wisdom of men.

Mercy is imbedded in every Prophetic Judgement the Lord reveals! See www.takehisheart.com/mercy for more understanding.

To many times My people have blamed the Devil for My workings. Ignorantly they do so because they know not My ways. To many are quick to judge - not only others but situations, circumstances, and life experiences. Come to Me first before you judge anything.

Hesitate not to reveal all of My words to you this day. To many have grown stiff and need to be shaken loose. I will have you order many things together very soon. Each by legal adjudication and by the discernment of My Spirit shall I lead you. Many, many things need to be put in order (I suddenly saw a line of full grown trees growing in a ditch on the left hand side of a roadway. I saw how these trees were all growing in all different directions, staggering left and then right, and were very un-orderly the way they had grown up. I saw some of the trees root systems were exposed because of their growth directions. Then something happened and immediately I saw all the trees straighten upright in alignment now. They were now in order). The first step from disorder to order is forgiveness. To many walk around with unforgiveness in their hearts. The sin of unforgiveness must be brought to order. It truly is the first step for many, many of My people. After this first step it is a domino effect, for

things will quickly fall into place and back into order. Give this message of hope. Adjourn the meeting.

The Prophecies of Jacob Metz

Vision, October 29, 2017

Early this morning while lying in bed I had a vision and saw myself standing in Roy's living room and Jacob, Marilyn's grandson was standing in front of me. Roy was in there as well along with Marilyn to our left by the brown love seat. The first thing I told Jacob was to always listen to Marilyn, his grandmother, because she has the counsel of the Lord. He is to always listen and heed what she tells him so that he may be blessed in what he does. Then I started prophesying to Jacob about what the Lord was going to do with him concerning his gift of playing music, and because he has glorified God in all that he has done, the Lord was going to raise him up as a mighty one in the earth. I was prophesying over Jacob that his music would reach the nations, including places like third world countries and even Russia. Then I was looking at Jacob and I saw waves of water coming out from his feet, and they kept coming out from him about two to three feet. I understood the water coming out from his feet represented him walking by faith in what was being spoken and prophesied over him. I remember telling Jacob the word of the Lord was with him and in his mouth, along with many other things.

The things I was shown about Jacob Metz this morning in the vision kept coming back to my mind. The Lord said to me, "Yes, I have words that I want you to speak over Jacob. This must be done in person. For My words that you speak over him shall cling to him as the clothes on his body. Write the vision that I gave you this morning, for it is of Me. The word of blessing must be spoken over him. He will be a prophetic ministerial unto Me. Many words I will have you speak over him. It must be done legally. Add too nor take away what I show and tell you to do. Though the enemy tried to sift him as wheat in the beginning, he has been created a vessel of honor for My servitude.

Meeting, June 8, 2018

Write with the authority I have given you. Pray for Jacob that no unrighteous yoke come upon him. Do this when you prophesy over him. Tell him he must receive (meaning the prophesy and prayer) and resist any and every unrighteous yoke that is presented. Tell him to be not afraid. That he has My blessing. Tell him I have yoked him to the nations, but not with a yoke of bondage, but with a yoke of blessing. Prophetic blessings for all who will receive. You shall title his prophecy: *The Prophecy of Jacob Metz*. I understood this prophecy would go into the Book of Prophecy's the Lord has started with me, and this prophecy concerning Jacob Metz will be titled as the Lord gave it and put inside the book.

Prophetic Meeting, June 19, 2018 – Marilyn, Roy, Faith, and Kyle

At the beginning of this gathering in the Healing Room, it began as a time of fellowship. Marilyn shared what GOD gave her that morning in her meeting. We got there a little earlier and Marilyn read to us what GOD said. GOD said, "You know the purpose of this day. See to it. Clearly, precisely, no hesitation. See to every detail. Double check, double check. Follow protocol, follow protocol. Every purpose has protocol. Overlook nothing. Check, check, check, and check again. Monumental what you do here today. Focus. Perfect focus. I call forth perfect focus for this time. May there be great rejoicing. Great solemn rejoicing. Begin and end with solemn hallelujah's. Concentrate on solemn. Breathe it in (Marilyn gathered it together and breathed it all in) My solemn Powers. Yes, plural. Seal it Child, seal it Child. Forget not to seal it (Marilyn sealed GOD's solemn Powers she absorbed with hallelujah.) I began to see how GOD had orchestrated this even to take place on this day concerning Jacob and what GOD was wanting done.

Then Jacob arrived and we all began to fellowship in the LORD. This was the first time I had ever met Jacob Metz and actually had conversation with him. GOD began to work among our fellowship and sow into Jacob seed that GOD has taught the group to catch Jacob up on things. This concerned High Praises, washing at the Laver, GOD's voice, Marilyn's mantles and her seeing GOD's words, the law of faith, and many other things. GOD also brought up that this prophetic gathering with Jacob was a first-fruit of many things intertwined into one. It was the first-fruit of what GOD is bringing forth, the first-fruit in meeting Jacob and prophesying over his life, the first-fruit of what GOD is bringing forth in the Healing Room, and the first-fruit of the joint anointings in operation in the Healing Room. GOD also told Marilyn in her meeting that morning that this day was monumental. *The Hill God calls The Place* also was brought up and we were able to explain to Jacob more in depth what *The Hill* is and how it was brought forth. Jacob didn't know anything about *The Hill*, but after explaining some things, Jacob understood.

Afterwards we all stood to wash at the Laver. GOD told Marilyn in her meeting that morning to start and end the meeting with Hallelujah's, so we all spoke Hallelujah's before beginning. Then Marilyn explained several things we speak before washing. This was so Jacob would understand what was happening as we all washed. Then we all washed in the Healing Room. After washing we explained to Jacob as we circled up to become one in the LORD. Roy explained to Jacob we circle up like this because we become one in circling up because the Bride is one person. Before continuing on, Marilyn explained to Jacob that this was the first time Marilyn and I have operated together in the joint anointings. Marilyn explained to Jacob GOD has done this because there is more Power because of what my anointing covers and what her anointing covers, it is now joined for the purposes that GOD is bringing forth for the Healing Room. GOD also told Marilyn Jacob would be the first for this joint anointing to be operation for. Roy then told Jacob he and Faith were there as witnesses, which Jacob understood. We continued forth, and one of the instructions GOD had given Marilyn for us to do was cover Jacob with righteousness, HIS Spirit of righteousness.

Marilyn and Kyle were about to begin the demonstration of the joint anointing and everything GOD has commanded to do over Jacob Metz. But before continuing further, Marilyn again explained to Jacob more concerning the joint anointing and how GOD has shown it to her. Marilyn explained how the joint anointing as she was shown coming from us is **big and round at the base and gradually goes out from us (to a point.)** It is goldish in color, but not shiny gold. As Marilyn explained how the joint anointing looks to Jacob, GOD showed me Marilyn and I were to take the joint anointing and melt it inside the LORD's fires in HIS Laver. Then we were to cover Jacob in the melted anointing.

I knew in melting the anointing in the fires would not do away with how Marilyn has been shown the two anointings are joined, but the anointing would replenish itself and remain the same way still. GOD does not run out of resources. I then explained to everyone what I was shown and how GOD has dealt with me about kindling the fires in HIS Laver. I explained to Jacob that GOD has given me a unique fire on my hands and this is part of the reason HE has dealt with me on igniting the fires in HIS Laver. After explaining this to Jacob I ignited the fires in the LORD's Laver. I declared, *"By the Power of Almighty GOD, I take HIS scepter of Righteousness and I kindle the fires in the LORD GOD's Laver. (I did an act of stirring and kindling the fires with the LORD's scepter.) Hallelujah, according to all that HE would have it to be, and every flame has its purpose, Hallelujah! I do this before all heaven and earth w/ANJ. I AAI this declaration w/ANJ.* Afterwards, Marilyn and I took the joint anointing and dipped it down into the fires of the LORD's Laver to melt. Then we scooped out the melted anointing from the Laver and covered all of Jacob's body with it from head to toe.

We continued forth and I took the words the LORD had already spoken to me to speak over Jacob. This dealt with prayer and prophecy the LORD had commanded me to speak over him. I explained these things to Jacob before speaking them over him. That this was the LORD's blessing over him that He has commanded me to speak. I explained that I was going to get silent and wait after speaking these things over him to see if there was anything else the LORD wanted me to prophesy over him. Here is what I spoke over Jacob first, beginning with the words the LORD already gave me to speak, which I prophesied over Jacob.

The Prophecy of Jacob Metz

The LORD says, **"For MY words that you speak over him (Jacob) shall cling to him as the clothes on his body. You are to be a prophetic minstrel. Though the enemy tried to sift you as wheat in the beginning, HE has created you a vessel of honor to servitude. No unrighteous yoke (can) come upon you. You must receive this prophesy and prayer, and to resist any and every unrighteous yoke that is presented. Be not afraid. You have the LORD's blessing. The LORD GOD has yoked you to the nations, but not with a yoke of bondage but with a yoke of blessing. The prophetic blessings will come from you for all who will receive. Hallelujah.**

After reading the prayer and prophecy the LORD had given me to speak over Jacob we all got silent to see if there were any other words the LORD wanted to speak over Jacob for a blessing. As we were in silence the LORD ministered to me and told

me to speak and to not be afraid. I knew more words were coming to be prophesied over Jacob. I stood in front of Jacob with both my hands out and began to prophesy as the LORD gave me to speak.

Hesitate not nor be afraid, Jacob. The Lord knows you have many questions. Questions that will be answered in due time. Let your feet walk with the winds of the Spirit, for they shall lead you to the nations. The LORD GOD shall use your voice and your hands to worship prophetically to bring blessing, praise, and healing to the multitudes. Worry not nor be afraid but trust in the HOLY SPIRIT. The LORD GOD has sealed you with HIS blessing and has given you a prophetic mantle as a minstrel, Hallelujah. HE has volunteered you to this work and chosen you in the earth to do this. Let no doubt enter your heart, nor your spirit, nor your mind. You have glorified the LORD in your footsteps, and you shall glorify the LORD yet more in the footsteps to come. For you have given HIM honor and praise through all of your infirmities and the things you have been through, saith GOD. Because you have boasted in your infirmities rather than complaining and blaming and pointing the finger, you have allowed the Power of CHRIST to rest upon you. The LORD is going to exalt you. HE is going to place you on a platform that has been built and prepared for you to minister unto the LORD. HE shall pour back into you, to the people, Hallelujah. Doubt it not. For the LORD GOD will prove. HE will prove this to you. HE will prove it to you, Hallelujah. Do you receive the prophetic mantle the LORD GOD has given you? Jacob answered and said, "Yes." Do you receive this prayer and blessing and prophesy over you by the LORD? Jacob answered and said, "Yes." So be it.

Marilyn then spoke on what GOD showed her to prophesy. GOD said through Marilyn over Jacob, "From your depths, your very depths, HE will give you the words that will come forth from your depths as tidal waves." 'So be it.'

Kyle prophesied again and said, "Your prophecy, Jacob, shall not go unheard. It shall be heard and proven." Marilyn proceeded forth in a command the LORD had already given to her, that she was to put her right hand on Jacob's throat. Marilyn proceeded forth and did so as the LORD commanded her to do. The words the LORD gave her to speak were, "He shall sing. He shall sing MY praises. Charge is going into your (Jacob's) voice. GOD told her to clasp her hands together, and so she did, and Jacob was to also clasp his hands together, which he did. This was to seal the physical and spiritual together. We all spoke and sealed with hallelujah's.

Another duty given to Marilyn by the LORD, for the joint anointing concerning Jacob, was to lay hands upon him to be inoculated with Power, peace, praise, for GOD Almighty's purposes. Marilyn and Kyle then placed both their hands on Jacob's shoulders. Kyle's hands were upon his left and Marilyn's on his right. Marilyn spoke and said, "Father, we lay our hands on Jacob and inoculate you (Jacob) with Power, peace, praises for the LORD's purposes. Yes, we inoculate you. Hallelujah. Power, peace, praises for the purposes of Almighty GOD." Marilyn explained to Jacob afterwards that inoculated means "major shock." Marilyn asked Jacob if he receives it. Jacob replied with, "Yes." Marilyn continued forth and explained to Jacob something else GOD had shown her previously, which Jacob needed to understand. Marilyn explained how she saw letters from words, but they were parts of words. Marilyn did

not see the actual words themselves, but she knew it was parts of words. They were in red and they were about a 1/16" in width of thickness, which she knew wasn't from a regular pen. Then GOD said to her, "Covenant words, Covenant words. My Covenant with him (meaning Jacob). She explained what was happening was GOD's covenant HE was making with Jacob. Marilyn then asked Jacob, "Do you receive the covenant, enjoined with the LORD in covenant? Jacob answered with, "Yes." Then Marilyn said further GOD told her on June 14, 2018 what she was to allow and agree to. Marilyn proceeded forth and said, "As matriarch of this family, I agree to and allow this blessing and prophecy upon my grandson, Jacob Emmet Metz. And I AAI w/ANJ Son of Almighty GOD." Jacob afterwards spoke again and said, "I receive this blessing and prophesy." We all began to praise the LORD and declare hallelujah's, that GOD's will be done.

Roy also said during the time when Kyle was prophesying, GOD said to Roy concerning Jacob, "I will perform it in him." We ended with solemn hallelujah's as GOD had given Marilyn that morning. Marilyn was shown and began to surround Jacob with hallelujahs that they go with him wherever he goes. Roy, Faith, Marilyn, and Kyle began covering Jacob with solemn hallelujah's. Mrs. Faith said she saw a golden light shining down on Jacob as the hallelujahs went around Jacob. What GOD wanted done was accomplished! Marilyn asked Jacob if he receives, and Jacob responded with, "Yes."

Sabbath Judgment Meeting, April 27, 2021 (A Spiritual Flooding)

The fountains of the deep shall be broken up. A spiritual flooding, a spiritual flooding, a spiritual flooding. To move out of the way what would have prevented. A spiritual baptism to all nations who are willing to yield. Many need to develop their spiritual eyes. To many rely on carnal sight. A massive development is underway that My people be prepared and their spiritual sight be keen. The things of the world dim your spiritual eyes, My Children. Many nations must be spiritually keen to see My movements. Be not grieved, My Children when My spiritual flood strips these things away for your lamps need to be full. I will issue leaders to help and aid those who are little in strength and lack oil.

A spiritual rain is coming for the sight of My people that their spiritual eyes be keen. I wouldn't give it if it wasn't needed. I, Your Lord command the natural things and the spiritual things. Look up to Me, Child and receive the measure I have allotted to you now. It is apart of your birthright (I looked up - some time passed) Push it in, push it in (I did using both my hands into both my eyes). I have given you a double measure for each eye. There is purpose but also responsibility. Some adjustments will need to be made for you to settle in this new measure of doubles I have given you. Fear not.

Now, moving right along - My Core, My Core, I will soon give you your next journey. Follow My directives as I give the assignment. We are catapulting forward into the needs of many who need My instruction, My correction, My teaching, My love. Healing and deliverance will follow as you yield to Me, My Core. You are a prototype for many Cores, yet you are a first-fruit. The seed will produce after its kind.

(I suddenly saw a spear and the spear head. I could see the spear head up close and it looked very sharp and had more than two sides. The spear appeared to have four sides round about and every sideline closing the tip

looked very sharp. I saw the spear and head start to spin very quickly). I have summoned a spear to be shot directly at the enemy's heart. In one calibrated moment, in each and every situation and circumstance to penetrate and pierce that My love may flow in. To pierce and quicken those who have been enemies of the Gospel that they may feel the touch of My love. The touch of an everlasting love that will never fade away. That is why I have commanded to pray for your enemies. I am gathering My jewels that will reflect Me and who I am. A great gathering will soon begin. I have laid out the pathway of covenant. Many need to come out of the covenant of the world and into My pathway of covenant. Many are quick to make covenants in the world. Come out from them and into My covenant pathway. Seek Me and search your hearts. That is all for now. Adjourn the meeting.
