Presentation of the Red Words from the Lord:

### Count the Cost

- My Children, I have told you to Count the Cost many times and I have accepted your efforts
- now you have grown, matured, so it is time for you to fully grasp the fullness of what I mean when I tell you to Count the Cost
- it is true that monetary cost is a factor in the Cost but only a small factor
- it is also true that each situation has its own Costs which may vary
- one of the major factors in Counting the Cost is time.

- too often you have been so eager to say, “Yes, Lord” that you have misjudged the time it will involve
- I adjure you each to truly give ample thought to all the time each situation will require of you
- dedication is another major factor that must always be considered
- dedication involves the effort it will take to search out all the steps required to complete the task or assignment and the dedication to actually take each step to its full completion
- yet another major factor is the searching out and the setting of the parameters needed concerning the enemy
- some things involved in curtailing the enemy are obvious, but you must give much thought to the blocking of all the loop-holes available to them for I assure you the enemy will put forth great effort in trying to keep you from succeeding
- so, My Children, when I tell you to Count the Cost, I adjure you to always, always diligently consider these 3 major factors: time needed, dedication needed, and the blocks needed to curtail the enemy

DP - Circle up & wash at the Laver. Circle tight, becoming one.

Presentation of the Red Words from the Lord:

#### Acknowledge My levels of truth

- yes, My Children there are many levels of truth
- first and foremost there is the level of truth that is geared towards the babes

- remember how I lead you step by step
- remember how often I had to hold you back from moving too fast
- you must be patient with the babes just as I was patient with you
- it is vital for you to be aware of what level of My truth those coming to you for aid have achieved
- assess carefully, thoroughly, patiently
- just because they may be hungering and thirsting does not mean they are fully ready for My meat
- be careful and lead wisely
- remember it is step by step skipping none for I have designed each step with great purpose
- Halleluyah
